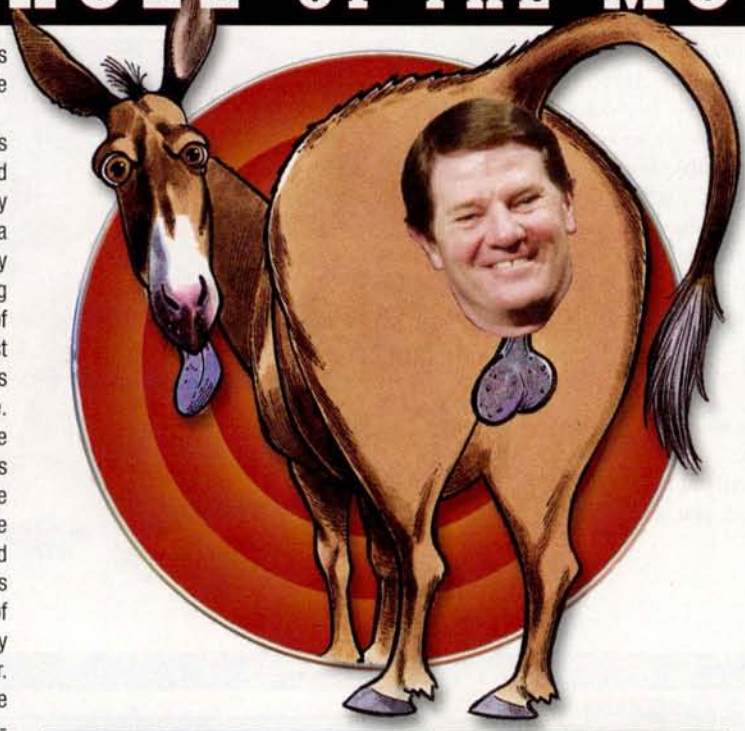
Bits & Pieces

ASSHOLE OF THE MONTH



TOM DELAY

Tom DeLay, a rectum in halo's clothing, is HUSTLER's Asshole of the Month for September 2002.

DeLay, 55, represents Texas's 22nd Congressional District and serves as the GOP's House Majority Whip, but he's best known as a Religious Right blowhard who only stops thumping the Good Book long enough to wring donations out of lobbying groups. "He doesn't just ask for contributions, he demands them," notes one DeLay associate. Elevating legal extortion to a crude art, DeLay pressures corporations to fire Democrats and hire Republicans as their lobbyists. He keeps a ledger of who's donated "friendly" and "unfriendly" amounts of cash to the GOP, and is fond of reminding organizations where they stand when they request his ear. DeLay has been known to invite extra-friendly lobbyists to craft legislation that directly benefits the companies they represent.

"We're just following the adage of punish your enemies and reward your friends," quips the Kickback King.

"I believe in the Constitution and the Bible," DeLay blurts between shakedowns. Abiding by them is another matter. Tom's betrayals of democratic and Christian ideals are so frequent it's difficult to single out the most egregious instance. Maybe it was his attempt to impeach every federal judge whose rulings he disagreed with, regardless of whether any wrongdoing was suspected. Or his opposition to campaign-finance reform on First Amendment grounds, even as he pushed the FBI to investigate journalists who report negatively on politicians. Perhaps it was when DeLay, possibly mistaking the House floor for a skid-row dive, pushed a fellow Congressman, calling him a "gutless chickenshit."

"I'm just a very gentle guy," DeLay theorizes.

Most dung-seeping crap hatches, after literally reducing politics to a shoving match, would hang up their sphincters, confident that they'd achieved an unsurpassable low.

DeLay, however, seems most comfortable with his foot in his mouth and his head up his ass. Tom's response to the 1999 Columbine massacre, in which he blamed birth control and the teaching of evolution for the slaughter, is a prime example, but he's dropped his foulest piles of shit-for-brains logic since the September 11 attacks. As the rest of Washington put self-interest aside, DeLay was instrumental in stonewalling the airport-security bill, passed unanimously by the Senate. Yet when Senate Majority Leader Tom Daschle and Senator John Kerry merely questioned the future direction of the war, he cried foul.

"I don't think we should be playing politics," Tom groused.

DeLay went on to not play politics by questioning decorated Vietnam vet Kerry's patriotism and further asserted that, if Dubya had been in charge during 'Nam, "we would have gone in and won it."

It's unclear how DeLay came by his wartime expertise. Tom has never served in the military, though he was eligible during Vietnam. DeLay insists that he'd tried to enlist, but so many minorities had signed up that he was crowded out.

Soon after his stint as armchair war analyst, DeLay went on to mock America's religious plurality, telling a gathering in Texas, "Only Christianity offers a way to live in response to the realities that we find in this world."

To non-Christian Americans, this may come as a surprise. Likewise, all U.S. residents, who saw the horrifying extent of religious zealotry on September 11, should note DeLay's theological absolutism.

Tom further exhorted his audience to send their children to colleges that offer a "godly education," singling out two local schools, Baylor and Texas A&M, as universities to avoid. DeLay cited his daughter Danielle's education at the latter: "She had horrible experiences with coed dorms and guys who spent the weekends in the rooms with girls."

Neither Tom nor his daughter were so distraught by A&M's hotbed of carnality that she didn't go on to graduate from the school. DeLay's dismissal of Baylor may have less to do with its insufficient godliness than with his expulsion from the Baptist university for having "too vigorous a social life," mainly involving booze.

DeLay claims that the Almighty is using him to promote "a biblical worldview." Too bad the only perspective he offers is the hindsight of a double-talking Asshole.

FARTS IN THE WIND

Joe Deters: As a Hamilton County, Ohio, prosecutor, Deters charged Larry and Jimmy Flynt with 15 obscenity counts relating to the HUSTLER Hollywood store in Cincinnati. Deters further sought to slander the Flynts by linking them to a bribery scheme during a press conference. Now Ohio's treasurer, Deters is suspected by his own party of using GOP funds to launder donations from people doing business with his office. If Deters really knew sleaze when he saw it, the Asshole wouldn't be in the position he is now.

Efren Saldivar: Former respiratory therapist and self-described "Angel of Death" Saldivar has confessed to offing more than 100 patients with lethal injections. After first claiming that the deaths were mercy killings, Saldivar has admitted that he took up serial murder to reduce his workload. Saldivar may never be named Employee of the Year, but as an Asshole his work ethic is impeccable.

Color Us Confused

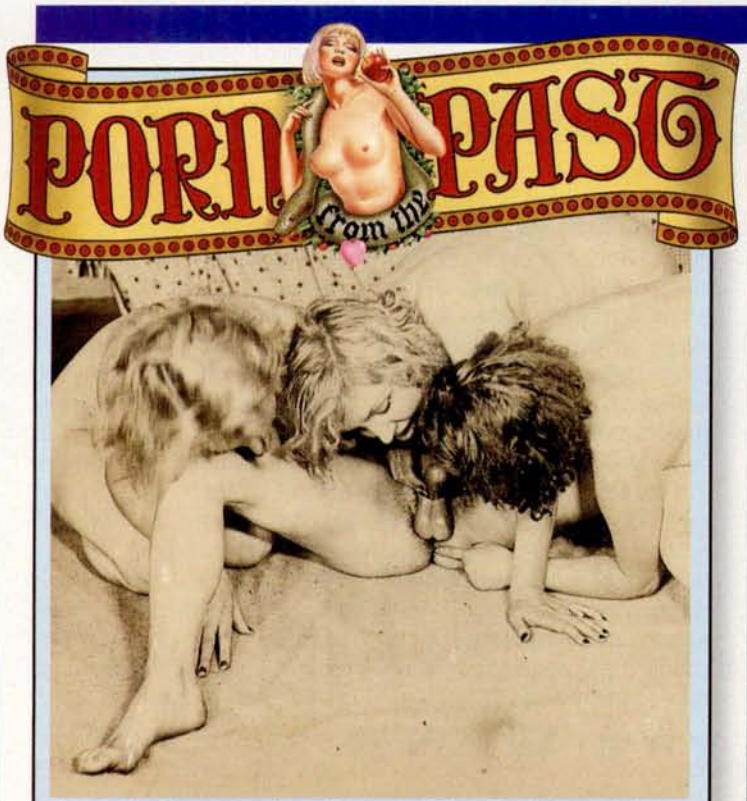
Spin Cycles

Tom Ridge, director of the Office of Homeland Security, replaced our nation's vague terrorist warning system with an equally fuzzy—but color-coded!—notification plan. In an effort to translate government-speak into applicable language, HUSTLER has produced a game in which each color level of terrorist alert is matched up to an appropriate sex risk. Spinning the dial and landing on a random hue has all the accuracy of our current national policy, but twice the fun!

PARODY. NO SUCH PRODUCT EXISTS.

Color codes for Tom Ridge's Twizter:

- ***Not only is she a virgin, she has no brothers who'll come looking for you afterward.***
- ***You agree to opera, if she consents to butt sex.***
- ***As though woken up from a haze, you realize you're buying drapes.***
- ***Bitch is pregnant!***
- ***Severe chance of marriage.***



"Dear Professor Leaky: The magnificent lesbians you sent me to study have finally accepted me as one of their own. It is imperative at this crucial stage in the research that you send more funding and dildos. If it's a choice between the two, lean toward the dildos. Always, Cam Eltoe, Ph.D."

R. J., of Brooklyn, New York, receives $150 for excavating this fornicated find. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

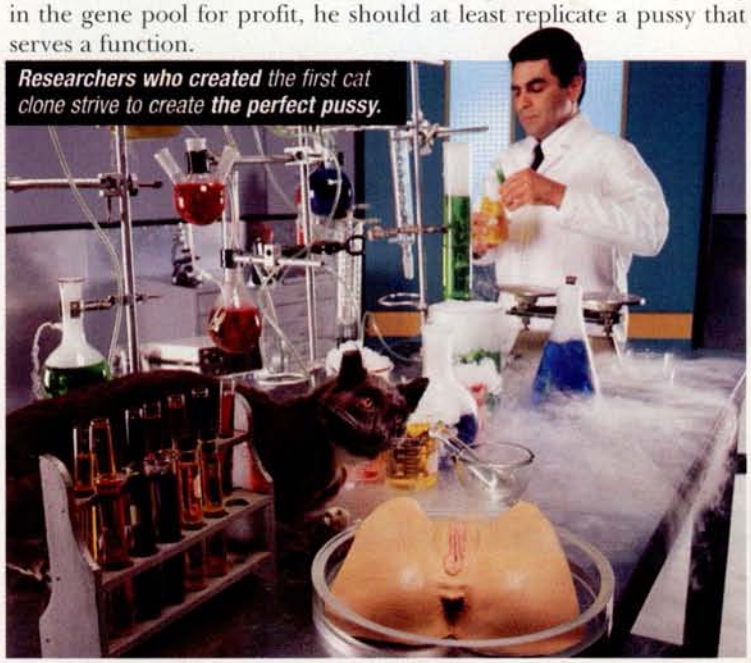
"I did not prematurely ejaculate.... That's pus!"

Clones of Delight

Multi-pussity

According to BBC news, researchers in a Texas laboratory have cloned the first cat. The project was funded by 81-year-old financier John Sperling, who envisions charging wealthy pet owners to reproduce their deceased animal companions. If Sperling insists on pissing in the gene pool for profit, he should at least replicate a pussy that serves a function.

SATIRE: NO PUSSIES ARE CURRENTLY BEING CLONED.



Researchers who created** the first cat clone strive to create **the perfect pussy.

***At least the full-body tongue bath** is a fresh step in the right direction.*

Caught in the Bush

Nuke at Nite

It's discouraging that today's most substantive discussions about social issues won't be found on any news program, but instead on cable's TV Land reruns of *All in the Family*. Even worse is that the most irresponsible, nuclear-war-threatening dialogue doesn't emanate from a 30-year-old, Cold War-era television show, but from President George W. Bush. HUSTLER merges classic TV with Dubya's BS for a retro-romp with the new "Bunker" clan.

Myth-conduct

Inglis, Florida, Mayor Carolyn Risher ensured her place in religious fanaticism when, according to the St. Petersburg *Times*, she wrote a proclamation banishing Satan from her town and declared the Dark Lord "powerless, no longer ruling over, nor influencing our citizens." Copies of the decree were then stuffed into fence posts placed at the four entrances into town. Much like the public funds squandered on Risher's theatrics, the fence posts were later stolen. With apologies to Charlie Daniels, HUSTLER salutes Mayor Risher's medieval crusade with our middle fingers raised on high.

"The Devil Went Down to Florida"

The Devil went down to Florida, he was lookin' for a girl to screw.
He knew the state's code, that when blowin' a load,
to fuck over the taxpayers too.
When he came across this Mayor spewing her theocratic muck,
And the Devil laughed fun at her proclamation and said,
"Mayor, what in the fuck?"
She said, "Devil, you don't know it, but I'm a meddler too.
And if you care to take a dare, I'll make a bet with you.
Now, you ruin a lot of good things, boy, but give the Mayor her due.
I'll bet my snatch, moldy and old, against your soul,
'cause I think I'm better than you."
The Devil said, "I ain't bettin', but don't think I'm givin' in.
You keep talkin' about God, 'cause you do more for my cause
than any sicko that's ever been!"

Thy Will Be Young

The recent nationwide flood of sex-abuse allegations has given the Catholic Church more bad press than the Inquisition. The Pope called a summit, while U.S. bishops are devising a process to defrock priests "guilty of the serial, predatory sexual abuse of minors." Or, they could just have them arrested. Once regarded for their texts, will it be long before clergymen spit out their own variation of a Tijuana bible?

HOLOCAUSTLAND

The Associated Press recently reported that Transylvania is building a Dracula theme park in Sighisoara, Romania, home of 15th-century prince Vlad the Impaler, the genocidal inspiration for the Dracula character. Like any good despot, Vlad found many creative methods to senselessly murder hundreds of thousands of people, such as skewering them on greased stakes, and burning and boiling them alive. WHAT KIND OF SUCKERS READ HUSTLER?

Outlaw rockers hailing from Middlefingerton, USA, who describe their sound as "ground-poundin', hemi-hoggin', muscle car, shit-ass rock 'n' roll," the Supersuckers bring the world their music, their way. The group's most recent CD, *Must've Been Live,* released on their own label (Mid-Fi Recordings), is a nonstop tear through rough-edged, high-energy country rock that blows smoke in your face, not up your ass. The Supersuckers are brash, uncensored and brutally raw; no wonder they read HUSTLER.

Dear Slut

Jeanna Fine Tells the Fucking Truth

Discovering Smut

It never bothered me that my wife wasn't into porn. We always had good sex, and she assured me that my watching videos and reading HUSTLER never made her feel insecure. Now, all of a sudden, my old lady has gone completely bonkers for smut. She watches it almost every night and snakes my spank mags before I get a chance to break them in. What's happening to my spouse? Aren't I enough to satisfy her anymore? —K. B.
via Internet

Unless your old lady has completely ditched you for smut, I wouldn't worry. I'm betting that your wife is in her mid-to-late 30s and is experiencing a libido upswing. Your stroke material is helping her quench her now burning desire. Quit complaining and bring the blue materials into your bedroom. Make your household's XXX fascination a group interest.

Hurts So Bad

My girlfriend and I love anal. The only problem is, most of the time my cock hurts her. We've tried foreplay and different lubes, but nothing works. I can ease three fingers into her shitter without a peep, but as soon as my prick hits her sphincters she squeals like a pig. What's going on here? —K. Z.
Iowa City, Iowa

Correction: *You* love anal; your girlfriend just tolerates it. If you're taking the time to lube and loosen the hole, your mate's level of relaxation is the problem. The fact that she can handle three fingers or a dildo, but clenches when your prick approaches, tells me that the girl doesn't trust you to cautiously and gently probe her bunghole. Continue to be a patient, dependable and trustworthy lover, and your lady's back door will open itself to you.

Chubby Humping

The other night I got a little tipsy and fucked a 400-pound man. I had to burrow beneath tons of flesh to find his tiny prick and balls. I always thought that large men had proportionally sized equipment. Most of the tall men I've nailed have had equally statuesque tools. Are fat guys always small down below? Since I may wind up porking this guy again, hook me up with any whale-fucking tips you may know. —J. C.
Ann Arbor, Michigan

Dick size is relative. An average-size prick will look tiny on a tub of lard, and huge on a midget. Never perform oral sex before your overweight fuckmate has bathed. Those massive folds of flesh can stink up a storm; add the genitals to the picture, and you're talking serious funk. Stick to the cowgirl position when riding hippos; this will prevent you from being squashed and leave your arms free to deal with his blubber—there's a good chance you'll need to grab some gut and hold it out of the way while you ride his tiny sausage.

Closet Pervert

I never told my husband that, as a young tourist, I appeared in several extreme European porn flicks that featured fisting, golden showers, scat and bestiality. I developed a liking for such practices, and would like to continue them in my married life. I love my husband, but he's not sexually adventurous, and I'm beginning to feel dissatisfied. How can I convince my husband to join, or at least approve of, my perverted desires? —S. R.
Melbourne, Australia

Do not tell your husband about your sordid past. He may never be able to handle the shock. It's going to take a long period of cautiously exposing the guy to tiny doses of kink before he'll even be close to coming up to your speed. Start out with fisting. Ask him to finger you, then keep telling him to add digits until there are none left. Make your perverted requests in the heat of passion, when he's more likely to respond positively. Considering your past and your sexual preferences, you should ask yourself why you married such a prude in the first place.

Bastard or Victim?

Ever since I was a kid, I've had fucked-up attitudes about sex. I was a sexual predator when I was young, and didn't get much kinder as I aged. Now I have kids, and would never do anything to harm them, but I regularly cheat on and humiliate my wife. All the recent news coverage of Catholic priests got me thinking. I was an altar boy, but don't remember ever being molested. Could repressed memories of sexual abuse be my problem? —C. I.
Terre Haute, Indiana

Past abuse is possible, but don't make any accusations just yet. Track down your fellow altar boys and bring up old times. If anyone hints at inappropriate behavior, probe further. Whether or not someone fucked with you in the past, awareness of your shitty nature is your first step toward becoming a better person. Seek counseling and keep working at it.

HUSTLER VIDEO™

ALL VIDEOS (VHS OR DVD) $29.95 EACH

Dear Slut

"My friend said that there are laws against anal and oral sex. Can I actually be arrested for sucking cock in my own bedroom?"

Shooting Jizz

My chick and I are composing a portfolio featuring photos of my wife's face covered in my cum. I'm not a professional photographer, and none of the pictures turn out as well as the shots in HUSTLER. Maybe my jizz is too clear to show up on film. Please hook me up with some facial-photography tips.

—D. R.
Highlands Ranch, Colorado

Contrast is the key to properly photographing splooge. Abstain from sex and masturbation to ensure that your jizz is thick and creamy. Then ask your wife to spend a little time in the sun, so that her skin has some color. Light the room well, then fire away. Follow this advice and your pop-shots will really pop.

Ugly Angle

Lately, my girlfriend and I have been fucking in front of a mirror. My babe loves to watch my cock stab her cunt. I could do without the view. When I peer over my shoulder, all I see is my pimply ass, hairy butthole and dangling balls as they bounce up and down. How can my wife possibly be turned on by such a revolting spectacle? —V. L.
Mountain View, California

Be confident that your woman loves you enough to see past your shortcomings. While most male ass is nothing to write home about, I'm guessing that you're overreacting. We all tend to be hypercritical of our bodies, and your hairy butt is probably an easy target. Either do something about it (shave the hair and treat the acne) or close your eyes and enjoy the ride.

The Fuck Police

I'm an 18-year-old girl who has just started having sex. I told my girlfriend, who is still a virgin, about all the crazy things my boyfriend and I have been doing, and she freaked out. She said that there are laws against anal and oral sex. I hate to sound naive, but are these stupid restrictions real? Can I actually be arrested for sucking cock in my own bedroom? —R. U.
Birmingham, Alabama

Such laws do exist, but are rarely enforced. Restrictions such as these were sometimes used to bust up gay clubs in homophobic communities or to trump up charges against prostitutes. I wouldn't worry about a SWAT team busting down your door. The police have bigger fish to fry—unless you two are having anal sex in your front window.

Gash Enhancement

My wife's pussy feels looser than a camel's cunt. She's tried those Kegel exercises, and they didn't do shit. Personally, I think she's too lazy to whip any part of her body into shape. That's why I thought that surgery might be her answer. What exactly does vaginal reconstruction do for a cunt? —J. P.
Kutaisi, Georgia

Kegels, like any exercise, take dedication to produce results. I'm not surprised that your woman doesn't feel motivated to please you, considering you call her lazy and compare her cunt to an animal's snatch. Labiaplasty, the surgery that Houston underwent to trim her labes, is purely cosmetic and doesn't do much for sexual performance. Laser vaginal rejuvenation supposedly firms up the interior of the cunt, making the snatch tighter and more fuckable. If I were you, I'd just ease up on your woman. A loose pussy is better than no pussy at all.

Lesbian Horseplay

The July 2002 HUSTLER saved the best for last. Szylvia and Judith: Pony Up, Buttercup was an exceptional girl/girl set. Doses of kinky domination and bondage really liven up lesbo action. Keep up the great work. —I. K.

Don't think we didn't notice that Delilah (Delilah: Tiny Dancer, June 2002 HUSTLER) was shot by a freelance photographer. The model was a real piece of ass, but the poses, pubes and pee make the photo-set a real keeper. I don't know who Fresh Media is, but make them HUSTLER regulars. —M. Y.

Tasty Kiwi

It's nice to see a sister in the HUSTLER centerfold for a change. Kiwi (Kiwi: Slow Hand, July 2002) is some real hot chocolate. Seeing that twat spray its steamy juices gave me a raging boner. I'd give 40 acres and a mule to see Kiwi tag-teamed by two white dudes. —F. W.

G.I. Jane

I was a bit disappointed by a statement made by Larry Flynt in the July 2002 HUSTLER (The House That Flynt Built). He said that "people are sending their sons to fight and possibly die" in Afghanistan. Despite the fact that America's Magazine is no longer sold on military bases, there are still faithful HUSTLER readers in the armed forces. Some of us are even women. Have we already forgotten the young, female Marine who died serving her country while in a helicopter over Pakistan? People are sending their daughters to fight and die too. Let's remember them and give them the credit they deserve. —S. S.
Uniontown, Pennsylvania

HUSTLER has made the worship of women a primary goal since its inception. Let us take a moment to single out the dames who give their lives for our freedom. They come from every corner of our great nation and serve in our military as peacekeepers, soldiers and guardians. We owe the women of the Army, Navy, Air Force, Marines and every other defense branch a debt of gratitude.

Party Clown

I found the Holiday 2001 HUSTLER sandwiched in the center of a bargain grab-bag at my favorite porn shop. After checking out the magazine, I was reminded why I stopped buying HUSTLER in the first place. I'm a complete porn hound, but I'm also a Republican. Do you really hope to convert anyone with your constant bashing of the Republican Party? In case you haven't heard, George W. Bush has an 80% approval rating. Regardless of how he won the election, those numbers give him a mandate. You may as well get used to him, because he's gonna be around for another six years. Why you waste page after page bashing our President while worshiping at the altar of Bill Clinton is beyond me. I'm going elsewhere for smut. If I wanted Democratic propaganda, I'd buy Newsweek or turn on CNN. —A. W.
Amarillo, Texas

No politician or party is safe from our patented brand of unvarnished criticism. There are many well-known differences between Democrats and Republicans, but the one we've come to appreciate lately is that Dems excel at rolling over, while GOP members are masters of the whiny complaint letter.

Girl-on-Girls' Dormitory

I turned 18 last summer—just before joining thousands of other new students at the University of Michigan, Ann Arbor. I'm a no-shit farm girl and a dyke; I lost my virginity in a haymow, which, I've learned to explain, is what's inside that little window near the top of a barn. My girlfriends at the dormitory treated me like a hick, until I ate them out.

Kathy, a leggy, brunet snob, was my first conquest and the key to my social acceptance. She had a Georgia O'Keefe poster and acted like she'd invented culture all by herself, with Daddy footing the bill. Relentlessly fuckable, my first college lay wore clothes on her long, curvy frame that were as carefully designed as a country club's golf course. I smelled a lipstick lesbian in the rough.

I broke into Kathy's room one night, crawled into her bed and planted a kiss on her panties. In the dark, the snooty bitch didn't know who it was chewing on heaven's door, but she cradled my head with her thighs and let me smear spit into her cotton-covered crevice anyway.

You'd expect a girl who considers herself classy to have Chanel-scented meat flaps or something, but Kathy's wrapped furburger proved gamier than most. More than anything, the fragrance reminded me of Dinty Moore beef stew. I sucked her strong flavor through the smelly fabric, letting the willing classmate shove her meaty cleft into me and wipe high-toned crotch stink into my chin.

Now wide awake, Kathy pressed her mound into me like she was administering oxygen. Her midnight muskiness gave way as fresh pussy juice seeped into her panties. My tongue pushed her fat labes around, making loud squishing noises in her underwear.

I hooked my teeth into Kathy's waistband and pulled down, catching a wispy cunt hair between my incisors. Aching for pussy flesh, I buried my face into the rangy brunette's twat. Her meaty cooter lips felt like raw ahi tuna steaks greasing my cheeks as I slurped.

"Who is that?" Kathy gasped. I didn't answer. Her sweaty hand groped my shoulder as I licked.

"Samantha?" the privileged dormitory girl guessed. "Iris? Adela?"

The names she was rattling off were of girls from Kathy's clique of overdressed art history majors who'd drink wine together at some sophomore chick's neat-as-a-pin apartment, then play girlish kissing games and think they were worldly and bisexual.

I found Kathy's clitoris almost by accident when my nose brushed her folds upward to press against a hard, unusually small nubbin. The long-legged beauty snorted and bucked like a well-bred racehorse. Concentrating my tongue on that spot, I could almost hear her whinny when I slipped a finger into her welcoming puss and thumbed her asshole.

"H-Heather?" Kathy yelped.

My thumb wriggled into her dry winker an inch, and I tugged at the thoroughbred's taint while swiping the flat of my tongue over her petite button. That ended her inquiries for the moment; Kathy crossed her knees behind my head and punched me in the face with her pelvis about a dozen times while she came.

I laughed as the junior mistress of culture's sloppy vage sputtered into my hand and her thin, wet muff banged against my nose. Cunt-drool dribbled down into the crack of her ass; I used the extra lubrication to jam my thumb way up Kathy's rectum. This, of course, set her off again.

I played my rich bitch like an X-box, never letting her orgasm die down entirely.

The lights came on.

"What the fuck?" *(continued on page 40)*

The long-legged beauty snorted and bucked like a well-bred racehorse.

NONOTCHKA

MORNING GLORY

PHOTOGRAPHY BY **MATTI KLATT**

Eastern European waif Nonotchka gave up the bustle of the modern career girl for a simple job in her Old World village. ***"Selling flowers is not so easy. I have to entice my customers. First, I show my cleavage. Then, I lift up my dress, gliding the petals up and down my legs."*** *She smiles.* ***"Some mornings, I lie fully naked among the flowers, drenched in the morning dew. Like the flower wants the bee, I want a fearless worker who will climb inside my pink bouquet and sting me with his seed."***

Kathy crossed her knees behind my head and punched me in the face with her pelvis about a dozen times while she came.

(continued from page 31) inquired Kathy's roommate, Johanna.

The overstimulated brunette smiled as her eyes adjusted to the illumination. "Go away," Kathy told her roomie, with a hint of you-don't-understand-such-highfalutin-ideas-as-sapphic-experimentation in her voice.

Before Johanna could tell the snob off (they weren't friends), Kathy saw little me with girl-goo smeared across my face and my cutoffs arched into the air.

"Deidre!" Kathy gulped, spreading her legs away from my sweaty, close-cropped hair like I was virulent, then belatedly covering up her split.

"You think your girlie, piss-ant buddies can suck twat like that?" I said, as gently as I could. "Hell, my daddy could do you better, and he's queer too."

"So," Johanna interjected, "would you say you come from a nontraditional family?" She's sweet and blond, with an enormous pair of tits; rather than spit at her and call her a dimwit, I patted the bed next to me and, seated between the two babes, made myself interesting to these girls who'd been quick to dismiss me as unsophisticated. By the end of the evening, I'd taught them both how to French a fuckhole acceptably.

I'm not proud of needing the approval of my peers. On the other hand, once the next semester starts, I'll have my pick of the new girls, plus a few returning sophomores who think they're my girlfriend. I chewed up a lot of pristine, young ruby-fruit last year in the course of making myself popular. I plan to chow on even more mound in the coming months. —D. R.

Holes of a Heroine

Working security at a convention center in New York, I see a lot of out-of-towners getting laid. But I'm fairly sure that I'm the only guy who ever snagged any tail at a comic-book expo. I mean, ever.

I'm not talking about those morbidly fat girls who dress like *Star Trek* villains. The Expo promoters hire models to impersonate the superheroes. These stunners usually have great bodies and fake tits, and wear skimpy outfits that have to be glued in place. They do stand out, walking among the kids and convention geeks. It's a cheap gimmick but, being models, one of them's always needing a ride or whatever, and I end up scoring.

The convention center did a comics show last weekend. Afterward, the chick dressed up as Miracle Girl, a lame-ass knockoff heroine created by a Christian propaganda comic-book company, was still around as the booths came down. This girl looked like Lynda Carter from the *Wonder Woman* TV show. That show was all right, with all the running and bending over.

This poor, imitation Miracle Girl was crying as she hung up her cell phone—a perfect mark. I offered to take her home, with just a quick stop at my place, and suggested she change in the break room. Diana, as the costumed babe called herself, accepted. She wiped her eyes and flashed a smile that would have been winning if it weren't for the smeared makeup.

We never made it past the break room. I grabbed Miracle Girl's ass to test the waters. She turned and leaned into me so I could see down into the stiff cups of her corset, where two lovely, if phony, jugs shuddered with each breath. Her hand slipped between my legs and fondled my balls through my pants.

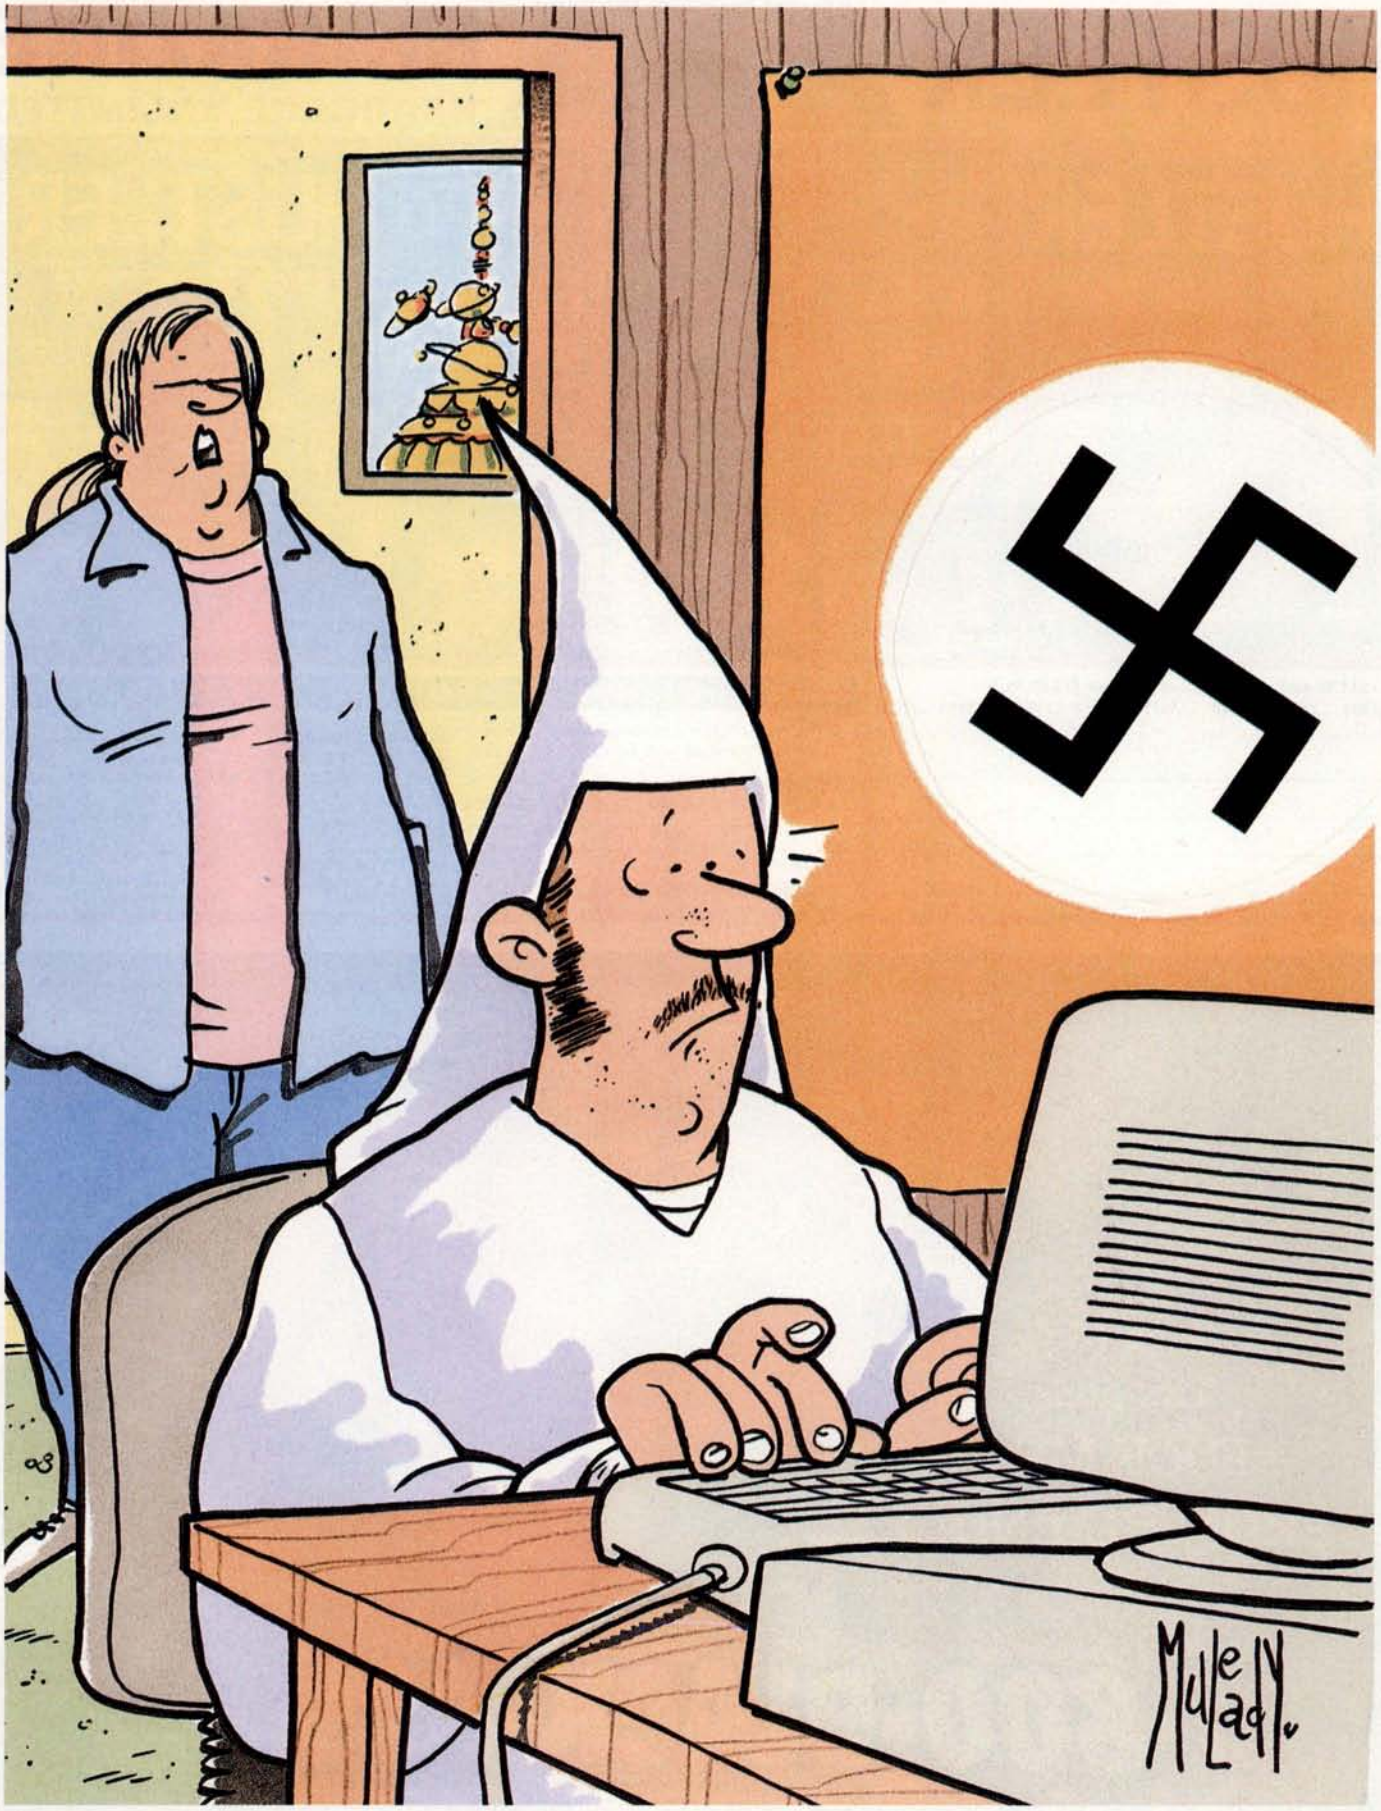
I unzipped my fly and scooted Diana's shorts down, revealing her shaved snatch. Miracle Girl didn't wear panties! The horny model kicked away the lower half of her costume, along with the coil of yellow rope that hung from her hip, but left her boots on.

Diana's stubbly crotch responded when I prodded it with my freed boner. Her bald box moistened and seemed to become ten degrees hotter. I sat on a folding chair and pulled the raven-haired cartoon impersonator down onto my cock. The side-to-side motion of her hips as she lowered her pussy into my lap made me guess that Diana worked as an exotic dancer between dress-up gigs.

While her pelvis bounced on my dick, I tugged at Miracle Girl's corset, trying to free her rack. The limber fuck undid something in the back, and I pulled the garment away—too quickly as it turned out. Diana's massive chest globes had been taped into place. She yelped and held still on my rod to massage the rectangular red marks I'd made above each nipple.

"*Owww!*" the lovely female whimpered, but a mischievous gleam in her eye accompanied the yelp. "Do some more shit like that."

I did as I was (continued on page 104)



"You thought the World Trade Center destruction was bad, they just gave the best actor and actress Oscars to a couple of niggers!"

Les Vampyres 2: The Resurrection

Directed by James Avalon.
Starring Misty Rain, Syren, Nikita Denise, Ava Vincent, Holly Hollywood, Wendi Knight, Gina Ryder, Katja Kean, Joel Lawrence, Mark Davis, Evan Stone, Nick East, Ian Daniels and John Decker.
Videocassette: Metro Inc.

Blood and cum mingle in *Les Vampyres 2: The Resurrection.* Every fuck scene ends with jizz-covered lesbos slurping the red, red vino on tap. Often, they'll gnaw on the just-drained prick like satanic Chihuahuas gorging on chorizo. There's a message buried somewhere in director James Avalon's aggressive juxtaposition of dykes, diseased blood and death, but who has time for analysis when there's so much first-rate fucking going down? Body morphing and flashbacks dangerously twist the plot, but Avalon's instincts keep this stylish XXX feature on a steady course, expertly hopping from one morbid orgy to the next. Ava Vincent and Gina Ryder bump uglies with Evan Stone shrouded in pale, blue light. The scene portrays the fuckers nearly in silhouette, stripping their cunts and cocks to their basics. *Les Vampyres 2: The Resurrection* raises pricks with artful hard-core.

Big Tobacco **Filters Into Porn**

Date: June 25, 2002

To: Top-Level Executives

From: [redacted]

Re: "The Product" in Pornographic Videos

Our PRODUCT has long been a popular prop in mainstream films. As discussed, XXX directors have now begun to feature the Product more prominently in their titles, creating whole video lines that combine hard-core content with a fetishistic utilization of tobacco.

Just a couple of examples:

Smokin' (Kick Ass Pictures Inc.): This all-girl franchise intercuts solo masturbation with close-ups of the ladies (all from the valuable 18 to 24 demographic) as they sensuously exhale "by-product." Several skilled starlets blow smoke rings, conjuring images of fellatio in the viewer's mind.

The Anal Girls of Tobacco Road (Jet Multimedia): Director Ty Endicott takes the pairing a step further. The Product is present throughout every boy/girl coupling. The lovely actresses light up at the beginning of each scene and don't stop enjoying the full flavor and low-tar goodness until their faces are covered with ejaculate.

AdPR and Legal should be consulted regarding the following image and marketing concerns:

- **DOES BREAST-FONDLING WHILE SMOKING CONJURE THE NEGATIVE IMAGE OF MAMMOGRAMS?**
- **ARE WE LIABLE FOR "PRODUCT"-RELATED LESIONS ON PENISES THAT HAVE HAD "EXHAUST" BLOWN ON THEM?**
- **COULD THESE TITLES BE FINANCED BY COMPETING PRODUCT BRANDS AS A LAST-DITCH MEANS OF ADVERTISING OUR UNPOPULAR PRODUCT?**
- **CAN WE HAVE SOME OF THESE GIRLS FLOWN TO HEADQUARTERS FOR THE NEXT COMPANY PICNIC?**

I recommend that everyone check out this material before we move forward.

Can I Fuck You...Too?

Directed by Sabrina Johnson.
Starring Sabrina Johnson, Wendy, Stephanie, Deelicious, Anais Aphrodite, Rachel, Pancal, Nico, Bruce, Chris and Philip.
Videocassette: Elegant Angel.

Can I Fuck You...Too? features British-slit Sabrina Johnson chatting up pedestrians in various European cities and coaxing the amateur nymphomaniacs into fucking on film. As far as pro/am porn goes, this is pretty standard fare, portraying reasonably attractive people indulging in a little naughty fun. Unfortunately, Johnson can't resist yammering to the camera. Sure, this crumpet's cute, but having to wait through 15 minutes of the cunt asking, "Do you want to see me suck a cock?" before viewing any real action is a painful test of patience. In addition, the Brit seems to be on downers that make her speech even slower than normal. Sabrina comes to life when a prick is shoved up her bung, but the rest of the vid is hopelessly marred by her long-winded narcissism. Wise consumers will say no to *Can I Fuck You...Too?*

—Clive Thurstwood

Photogenic

Directed by Nicholas Steele.
Starring Jody Moore, Tawny Roberts, Nikki Fairchild, Dominica Leoni, Zana, Majella, Kennedy, Randy Spears, Lee Stone, Rick and Julian.
Videocassette: Ultimate Pictures.

In *Photogenic,* Randy Spears plays an emotionally damaged guy who needs sex to repair his broken soul—but doesn't he always? This chick-friendly flick is a tale of love and loss that most likely sprang from the set director's discovery of a nifty vintage photo booth at a prop shop. People who sit in the booth are magically projected into a costumed sex fantasy where a universe of pleasure is at their fingertips, so long as they wear a rubber. Spears zaps himself into a blowjob from Nikki Fairchild. The pair then climb into a landlocked boat, where Fairchild (wearing only a skipper's hat) boards Randy and rides. Later, Spears porks Jody Moore on a frilly picnic blanket. Jody finishes the mook off with a footjob, wringing his hot mayonnaise out with the balls of her feet. An unnecessary anamorphic squeeze of the video footage ruins the vibe, making *Photogenic* far from picture-perfect.

—N. V.

Heroin

Directed by Michael Raven.
Starring Sydnee Steele, Keri Windsor, Violet Blue, Sunrise Adams, Lezley Zen, Avy Scott, Jonathan Morgan, Dillion Day, Randy Spears, Cheyne Collins and Brad Armstrong.
Videocassette: Wicked Pictures.

When Sydnee Steele, the titular slut in *Heroin,* boasts that she's "the ultimate high," pudgy ad exec Brad Armstrong becomes hooked on her tuna. Armstrong decides that his wife, Keri Windsor, is a cold mackerel compared to the Jaguar-driving harpy who likes to rub her snatch on the faces of unconscious bums. Thus begins Armstrong's embarrassing downward spiral in pursuit of Steele's razor-sharp bod. Although this high-gloss offering occasionally reeks of *fromage*, it's expertly shot and the cast is first-rate. In the opening rut, which is the strongest scene, Sunrise Adams and Violet ride Randy Spears while Dillion Day drills Avy Scott. The stunning trio of all-natural tramps more than makes up for Jonathan Morgan's scenes as a voyeur who giggles like a schoolgirl. Steele and her slutty cohorts make *Heroin* a tough habit to break.

Believe It or Not

Directed by Paul Thomas.
Starring Cassidey, Dayton, Zana, Meriesa, Ava Vincent, Nikita Denise, Mark Woods, Steve Taylor, Joey Ray, T. J. Cummings, Dale D'Bone, John Decker and Jason McCain.
DVD: Vivid Video.

Believe It or Not, director Paul Thomas thinks that jerkoffs will be turned on by a guy being fucked in the ass with a strap-on. The offending scene begins innocuously enough. Dayton and Meriesa tease their oversexed co-worker, T. J. Cummings (not to be confused with the UCLA power forward of the same name), forcing him to watch as they molest each other. The babes fit Cummings with a collar and ankle restraints. Cummings succumbs to a playful spanking and eagerly bends over to taste Dayton's cunt and ass. But there's something suspicious about the pert posture he takes. His tush protrudes daintily as Meriesa licks his bunghole. Soon Cummings's innards are invaded by ten inches of latex. The later presence of fucksockets Nikita Denise, Ava Vincent and Cassidey helps counteract the anal fruitery, but weak DVD extras diminish the title. *Believe It or Not* is far from mind-blowing.

S.I.D.S. #2: The Rebirth

Directed by Lizzy Borden.
Starring Veronica Caine, Randi Storm, Shay Sights, Drew Lynn, Bisexual Britni, Ayngel, Sylvya, Jemmi Juggz, Lizzy Borden, Rod Fontana, Mr. Pete, Brian Surewood and Pat Rock.
Videocassette: Extreme Associates.

The first three scenes of *S.I.D.S. #2: The Rebirth* feature Rod Fontana's bald, ugly mug. Rod tortures Bisexual Britni, anally violates Drew Lynn, then tag-teams Randi Storm with Mr. Pete. With Rod out of the way, the flick is more tolerable. Shay Sights, while being banged from behind, grabs a candle and pours hot wax into her mouth. The stuff splashes out the sides of her smile, cooling in purple dribbles down her chin. Veronica Caine plays a slutty marionette freed from her strings so she can nail a pair of robot-dancing butchers. With a bloody pig's head bobbing on a rope and half-nude Valley chicks in black body paint practicing pantomime in the background, Caine's D.P. feels like a Pink Floyd concert gone horribly awry. Thankfully, *S.I.D.S. #2: The Rebirth* avoids the male ass-sex that made its predecessor a Totally Limp XXX abortion. **—N. V.**

Beverly Hills 9021-HO

Directed by Stoney Curtis.
Starring Brooke Lane, Sophie Evans, Jessie, Misty, Jody Moore, Layla Jade, Jewels, Tony Ribas, Lee Stone, Herschel Savage, Pat Myne, Slim Shady, Craig and "The Duke."
Videocassette: Celestial Productions.

Beverly Hills 9021-HO is a postal region where wealth and ass-plundering go hand in hand. Like most women in that zip code, Brooke Lane has spent a little too much time under the surgeon's knife. The bleach-blond fuckbot douses a leather couch with gash grease during a threesome with Sophie Evans and Tony Ribas. Aussie sperm-burper Jody Moore's poolside ass-reaming is particularly memorable for the gaping view of the stunning blond starlet's dirty down under. With her pretty face, gorgeous bod and reasonably inflated fun bags, Moore's love of dick is sure to make her one of the hottest strumpets in the industry. Herschel Savage's graphic violation of a peach pie drains bones, but a vicious D.P. with red-haired Jewels helps viewers forget Herschel's food fetish. Motivated pervs will find a visit to *Beverly Hills 9021-HO* well worth the trip. **—C. T.**

Hot Rod Chicks

Directed by Cash Markman.
Starring Rebecca Bardoux, Aja, McKayla, Peach, Michael J. Cox, Frank Bukkwyd, Kyle Stone, Brandon Iron, Frank Castle and Matt Krupke.
DVD: Jet Multimedia.

Hot Rod Chicks will fuck anybody, as long as the tool owns a couple tons of Detroit steel. Michael J. Cox plays a geek fooled into buying a red muscle car called "The Demon." Rebecca Bardoux, McKayla and Aja dyke out on the hood, helping seal the deal. McKayla slurps Rebecca's ass, then crams a dildo into her lubed-up hole. Later Brandon Iron, McKayla's bully of a boyfriend, drags his bitch into a dirty bathroom, shoves her to her knees and forces her to suck his schlong. Iron props her on the sink and bangs her snatch before leaving a wad of snotty splooge on her ass-cheek. Cox spends most of the flick watching the other dudes fuck, then finally nails Rebecca Bardoux outdoors on a stretch of train tracks. Sadly, this decent flick is marred by piss-poor video quality, which makes the cast look red and inflamed. Mechanical failure prevents *Hot Rod Chicks* from tearing ass. **—N. V.**

Joelean & the Pussycats

Directed by F. J. Lincoln.
Starring Joelean, Wendy Divine, Nikita Denise, Nakita Kash, Marty Romano, Colt Steele, Chris Cannon and Rafe.
Videocassette: VCA Pictures.

Joelean & the Pussycats is idiotic even by sleaze standards. Think *Coyote Ugly* written by retards, then multiply by Pauly Shore. Thankfully, Joelean's chirpy Southern twang is silenced by the man meat she habitually crams down her gullet. Routine fucks fill out this tale of how Joelean, Wendy Divine and Nakita Kash renovate a biker bar to look like Barbie's playhouse. Even Nikita Denise's anal romp with Colt Steele feels like the mud-chute queen is panting by numbers. Only the final orgy where Joelean, Wendy and Nakita lez out on the bar in front of a throng of drunken bikers saves the vid. As the salivating, leather-clad thugs watch Nakita violate Joelean with a strap-on, there's a sense that the scene could turn into another Altamont. Fortunately, the three clit-lickers finish up safely. Otherwise, *Joelean & the Pussycats* is depravity without claws. **—C. T.**

Hot Rod Chicks: *"Fuck the train; I'm more worried about my hemorrhoids."*

Joelean & the Pussycats: *"Wow! Friction really can create static electricity."*

Hollywood Hard-core

XRCO and Oscar Go Head-to-Head

Porn's 18th Annual X-Rated Critics Organization Awards, attended by several hundred porn insiders April 11 at the Century Club in Los Angeles, was small potatoes compared to the Academy Awards. Still, the highfalutin actors, directors and producers that pornographers call their neighbors would be surprised to know that our soiree wasn't all that much different from theirs.

Crap in the Top Slot

XRCO's Film of the Year: *Fade to Black* (Vivid Video). San Fernando hack Paul Thomas helmed this cookie-cutter fuck-flick about a self-important porn director (played by himself, of course).

The Academy Awards' Best Picture: *A Beautiful Mind.* Self-important Hollywood hack Ron Howard directed this mediocre film about a crazy mathematician.

Well-Paid Emcees

XRCO's Host: Tera Patrick is one of the biggest names and highest-compensated actresses in porn, but only starred in a couple of flicks last year.

The Academy Awards' Host: Whoopi Goldberg's films have grossed well over a billion dollars. Many feel it would be worth another billion to never have to see the cunt again.

Black Men on Top

The Academy Awards' Best Actor: Denzel Washington's turn as a vulgar, violent and crooked LA narcotics officer in *Training Day* earned him an Oscar nod.

XRCO's Male Performer of the Year: Lexington Steele's enormous, black cock earned him the honors.

Splooge Bait

XRCO's Cream Dream: Aurora Snow racked up additional awards for Best Threeway Sex Scene in *Up Your Ass #18* (Anabolic Video Productions) and Best Group Sex Scene in *Gangbang Auditions #7* (Anabolic Video Productions).

The Academy Awards' Best Supporting Actress: Jennifer Connelly, of *A Beautiful Mind*, may only have one Oscar under her belt, but that's because the cum-coaxing starlet was robbed of the Best Anal award for *Requiem for a Dream.*

Waterworks

The Academy Awards' Best Actress: Halle Berry cried a river while accepting her trophy for *Monster's Ball.*

XRCO's Female Performer of the Year: Jewel De'Nyle didn't shed tears, but some attendees swore they spotted something trickling down her thigh.

April in January: *"This one time at band camp, I got paid $400 to be in a porn flick."*

Kung-Fu Girls #2: *This move is called "Dragon Shoves His Dick Into Monkey's Mouth."*

Latin Beat: *"You misunderstand, mi amor. I said I love the beach."*

April in January

Directed by Randy Spears.
Starring Star E. Knight, Ava Vincent, Shayla LaVeaux, Sunrise Adams, Kate Frost, Lezley Zen, Kelsey, Dillion Day, Randy Spears, Evan Stone, Lee Stone and Julian.
Videocassette: Jill Kelly Productions.

April in January mixes raincoater smut with a girlfriend-friendly "couples video" narrative and manages to please both camps. The über-sensitive chronicle of heartbreak and infidelity contains many spank-worthy scenes. Shayla LaVeaux shoves a flute up her pussy before being double-teamed by Evan Stone and Dillion Day. Elsewhere, Kate Frost and Kelsey pounce on Julian's turgid wang. Frost may not sport the covergirl looks of Star E. Knight or Ava Vincent, but her ear-to-ear grin and ecstatic squeals while bobbing on prong earn more fist-pumping applause than anything else on the tape. Even if the central screw featuring Ava Vincent and Randy Spears is only average, *April in January* contains enough raunch to keep deviants hard all year. ***—C. T.***

Kung-Fu Girls #2

Directed by Slain Wayne.
Starring Violet Blue, Jenna Haze, Ann Marie, Cheryl Dynasty, Juliana Kincaid, Brian Surewood, Duke Flyswatter, Brett Rockman, Trevor, Steve Taylor and Jay Ashley.
Videocassette: Kick Ass Pictures Inc.

Cheryl Dynasty, the evil ninja queen of *Kung-Fu Girls #2*, hungers for power. Only goofy martial arts, crude Asian stereotypes and the cunts of Violet Blue, Jenna Haze and Ann Marie can stop her. The ass-hoppers must first master the "Naked Jumping-Jack" style of Shaolin by practicing kung fu kicks while their *sensei*, Duke Flyswatter, shouts, "Right! Reft! Right! Reft!" Ready to fuck and fight, Jenna Haze subdues a ninja attacker with a ferocious blowjob. She gags on his sword, dribbling buckets of sputum that dangle from the assassin's nut sac like crystalline stalactites. Violet Blue, working undercover as a leather-clad tart, is subjected to a brutal D.P. from two crooked cops. Violet's reaming may not save the Earth, but her elastic holes offer carnal salvation to degenerates worldwide. *Kung-Fu Girls #2* connects below the belt. ***—C. T.***

Latin Beat

Directed by uncredited.
Starring Charisma, Vanessa, Tanya, Sexiana, Valentino, Damien, Mavrick and J. T.
Videocassette: Flash Point Productions.

Hispanic amateurs do the horizontal mambo in *Latin Beat*. These ladies are no Vanessa Del Rios, but that doesn't stop them from whoring it up like pros. Charisma and Valentino pair up in a bubble bath. The *chica* expertly pumps her man's *pinga*, then catches his seed on the chin. While this vid's sexual talent is willing, lazy filmmaking weakens the affair. Most scenes play out identically. Producer Sandy Bunz and the male talent make small talk on the same couch. The *puta de la dia* walks in, and Bunz makes a bee-line for the door. The pair make out on the couch, then screw in the bathtub. This monotonous juxtaposition conjures the image of dirty bathwater, soured with the stink of six overworked sets of genitalia. The flick's best scene is the only one that breaks the mold: a guerilla-style bang on the beach with the bespectacled Vanessa. The rest of *Latin Beat* is the same *mierda*, different day. ***—N. V.***

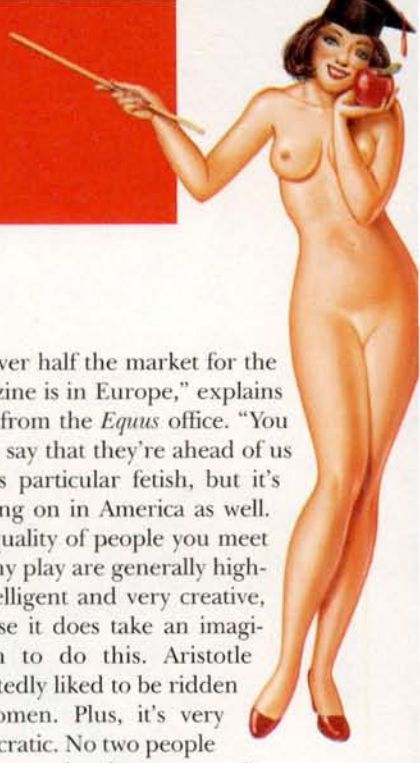
AMBRA &
ALEXIA
AMAZON QUIVER
PHOTOGRAPHY BY MATTI KLATT

When Alexia first lays eyes on the exotic Ambra at the dance club, the lust-lorn blonde makes her case quite succinct, ***"Eat me. Drink me. Fuck me like a man!"*** Returning to Ambra's tropical digs, the Amazons waste no time reaching sapphic sensations. Alexia climaxes nearly a dozen times when Ambra nibbles her pierced clit. Still, something is missing. ***"I need you to fill me,"*** Alexia pleads. Producing a two-pronged dildo, the lesbian lovers ride the snake between them, mound slapping mound. Alexia screams joyfully, ***"Fuck me till I'm numb!"***

Sex Play



Horsing Around

Human Ponies Are Hot to Trot

by Jessica Hundley

Illustration by Danny Hellman

On a chill, fall day, the sharp, sweet smell of burning leaves floats in the air. Under the steely afternoon sky, a man who calls himself "Trigger" is galloping down a dirt trail with a plump, big-titted woman strapped to his bare shoulders, her milky breasts bouncing in the wind. Wearing little more than a pair of high, black boots with sharp spurs glistening from the back of each ankle, the brunet jockey clutches a short, mean-looking riding crop in her hand.

The busty rider flicks the reins and kicks the stirrups, prompting Trigger to pick up the pace. Pink-faced and covered in sweat, Trigger canters over the muddy road with the sun on his back. The human horse is in a state of complete bliss; for him, nothing compares to the feel of a wet, warm pussy pressed against the nape of his neck and a lazy breeze cooling his skin.

Never mind that Trigger is actually a middle-aged, slightly paunchy, somewhat balding specimen of Homo sapiens. With a bit in his mouth, a willing rider strapped to his back and the crisp autumn air in his thinning mane, Trigger feels like a stallion.

* * *

"I like having women on my shoulders; it's like a good hug," explains Trigger of his particular riding style. "You've got a good center of balance, but you've also got to have some stamina; so you get a little more realism than you would on all fours. I'm excited by the idea of a woman having fun riding me, just like I was a real horse."

Although he is decidedly not an actual steed, Trigger has tried his best over the years to approximate one. The would-be stallion has invested heavily in a wide array of customized tack: saddle, bridle and other horse paraphernalia, all snugly refitted to hug the curves of his lamentably human form.

When Trigger was a child, he would derive sexual thrills in swimming pools by diving underwater between women's legs and hoisting them onto his shoulders, but the Pennsylvania deejay wasn't transformed into a prancing pony until he happened upon a photo of a woman wearing a saddle in a 1970s smut mag. "It was a domination magazine," recalls Trigger, his voice going soft with memory. "I saw a photo that opened my eyes. From there, I started searching for experiences."

Once Trigger discovered and accepted his unusual desire, he searched for a willing rider, realizing quickly that he was not alone in his equine lust. Trigger and his ilk are part of a fast-growing wave of fetishists.

"Pony play," once a relatively obscure practice, is beginning to push its snout across the finish line and into mainstream perversion. Pony-play practitioners of all shapes, sizes, colors, creeds and sexes are finding experienced jockeys, trainers and like-minded horse lovers via a vast network of Web sites, newsletters and magazines, including Paul Reed's *Equus Eroticus*.

"Over half the market for the magazine is in Europe," explains Reed from the *Equus* office. "You might say that they're ahead of us in this particular fetish, but it's catching on in America as well. The quality of people you meet in pony play are generally highly intelligent and very creative, because it does take an imagination to do this. Aristotle reportedly liked to be ridden by women. Plus, it's very democratic. No two people view pony play the same way."

For some pony players, the kink provides teasing titillation, but for other enthusiasts, the fetish is a means of complex foreplay as well as a slight flirtation with bestiality. Pony play can be merely pretty, or the practice can involve shit, piss, biting, kicking and hard-core rutting. "There will always exist a sexual connection between women and horses," says "Silver," a Helena, Montana, waitress. "I have a butt plug that has a luxurious horsehair tail affixed to it. My boyfriend loves *(continued on page 62)*

"Jesus' ideas sound compelling, but they might just be a front for a right-wing Christian agenda."

ALL GIRLS ARE 18+

"I can't think of anything more erotic than riding my horsey, especially when he wears his custom-made, dildo-equipped saddle."

(continued from page 58) it when I parade around the house on all fours with the plug shoved up my ass. He likes to lift up my tail and fuck me like a horse."

Reed, who has kept his own stable for years, enjoys just about every aspect of pony play's staggering diversity, particularly those involving control and submission. "To actually have total control over a woman as she's acting as my pony girl is the crux of the experience," explains Reed. "When she's a pony, she can't do anything for herself. I have to make sure she has enough water and doesn't overheat; so I have to be subservient to her in some ways as well. It's a chance for the pony to be catered to, since they don't have hands or anything, just hooves. Anyone who has been around a real horse or a pony knows they may not be cooperative, and human ponies are often spirited as well."

According to Reed, conveniently discarding a few thousand years of human evolution and reverting to a horselike state can also be liberating. "I think people like being a pony because it's a release from being human and the restrictions that come with that."

Lady Dallas, a Los Angeles-based dominatrix who specializes in pony training, agrees. "It's like any S&M fetish, although it's very gentle," she says. "It's about being cared for and giving up responsibility."

Dallas grew up raising actual horses and puts her experience to good use in her dungeon, where she trains all kinds of people, from CEOs who want to be dominated to housewives who crave a little tender, loving care.

"It can get as kinky as you want," says Dallas. "It depends on what the people involved are ready for. The crops are used to direct the pony, but how hard you hit depends on the person and how much they enjoy that aspect."

"It's an amazing mental and physical trip," says Ann, who has been trained by Dallas as a show pony. "You just let yourself be taken care of. You don't have to speak or think. All you have to do is be beautiful. If you're in Dallas's stable, you're brushed, petted, fed sugar cubes and told you're a 'pretty little pony.' What more could you want than that? Plus, I'm an exhibitionist, and I love cantering in front of everyone, wearing nothing but a feather-plumed bridle, a hand-tooled saddle and my hooves. Being a pony-girl allows me to be naughty in an atmosphere of play."

Lady Xena, a San Francisco-based dom, both trains human horses and plays as a pony herself. "This fetish is still gaining speed, but once people experience it, they'll never want to stop," says Xena. "When I'm being ridden, I feel like an Arabian stallion. I feel like a queen. It's not about giving up the control either; I'll throw a man if he doesn't know what to do in the saddle."

Equine-fetish organizations hold events, such as Erotic Thoroughbreds in East Hartford, Connecticut, and International Pet Week in Denmark, featuring pony-play competitions that are judged by three main categories: Show (the ponies prance up and down, looking as pretty as possible), Carriage (human horses on their hands and knees pull wheeled carts that carry their masters) and Riding (trainers climb astride their horses for Kentucky Derby-style racing).

Bear Cooper trains stables of beautiful women as his personal ponies, whipping gals into shape for personal pleasure or fierce competition. Cooper, a restaurant designer, businessman and all-around bawdy Texan, explains how he became a sexual equestrian.

"My very first hint of pony play was a book cover when I was seven, maybe eight years old," reminisces Cooper. "It was a showgirl dressed up as a pony. When I got to be about 13, I started to 'horse around' with my girlfriends and rather enjoyed it. It's like a children's game, and what child hasn't wanted to ride a carousel or their parents?"

Fascinated by women, sex and horses, Cooper took his hobby to the next logical level. "After a while, I began to train ponies. I've never been a pony myself, but I've been a top for 30 years. If there's two things I love, it's beautiful women and beautiful horses, and making a woman look like a beautiful horse and having her parade and be proud of herself and be self-confident. To watch someone blossom like that is a beautiful sight."

For Cooper, the fetish has become all-encompassing. "Of all fetishes, pony play probably has to be the most beautiful. It tweaks the imagination. It goes someplace back into the primitive being. There's that thing that draws you back to Mom and Dad and those piggyback rides."

"I always wanted a pony as a child, and now I have my very own pony-boy," says 28-year-old Betty Phillips, who has been in the San Francisco human-horse scene for three years. "I can't think of anything more erotic than riding my horsey, especially when he wears his custom-made, dildo-equipped saddle."

Diary of a Sperm Salesman

I wasn't necessarily born to masturbate; I just lack the drive, ethics and basic social skills to do anything else in a competitive marketplace. Growing up, other kids wanted to be astronauts; I didn't care. I hoped their stupid spaceships slammed into the moon like thunderous metal turds. I just wanted to lie by myself in a dark room and spank my meat until it bled. Who knew that my obsessive masturbating could one day pay off?

After stroking to some Internet porn that I found by typing "anal Asian sluts" into a search engine, I check my e-mail. I know; only a sucker clicks on a message with the subject line, "HAVE $EX, MAKE BIG BUCK$" but, at this particular moment, I'm neither having any sex (other than of the self-abuse variety) nor making big bucks. In fact, I'm horny and broke, having just blown my rent money last night trying to pick up some miserable hipster chick in an overpriced Williamsburg, Brooklyn, bar. At this point, I'm willing to try anything. The message that comes up seems like some kind of an answer: "Gentlemen, would you like to make $750+ per month as a part-time sperm donor?"

Hell, yeah! I think.

"Sperm banks across the USA, Canada and around the world want you!" continues the e-mail message. "Regardless of age, race, intelligence or health, they need YOUR sperm right NOW! Work smarter, not harder!"

There's a strange post-office box in Maryland with a request to send $10 cash. I send them the ten bucks and, two weeks later, I receive a list of sperm banks that I could have found just as easily with a quick look through the Yellow Pages. I don't care, because I know I'm just an orgasm away from making my money back, and then some. A few local cum houses seem to be buying stem slop like there's no tomorrow. These jizz junkyards are selling spunk at a 300% markup. A man with a healthy sperm count could bank serious bills selling his sprog, pocketing up to $50 a "donation"—conceivably tens of thousands of dollars a year. Those chunks of spunk I've been dumping on the mattress spelled fistfuls of cash. Anyone whose precious prick goo made the cut could turn a baloney pony into a cash cow. I felt like the Jed Clampett of my own nut sac. I envisioned my payload surging up, a bubbling, white crude. Big bucks were as good as mine.

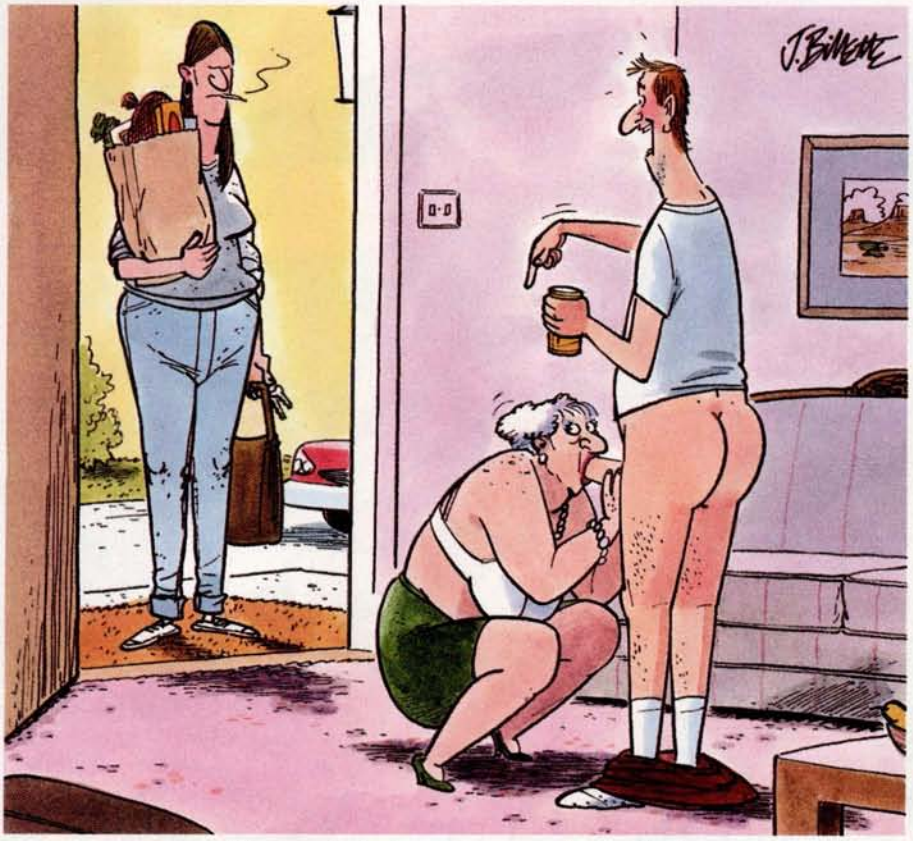
I felt like the Jed Clampett of my own nut sac. I envisioned my payload surging up, a bubbling, white crude.

The sperm merchants have names such as Xytex, Zygotex and Idant, ghoulishly futuristic corporate monikers suggestive of science gone horribly wrong. One of them, Cryofert, occupies half of the fifth floor of a quiet, sunny, white medical building in Manhattan's Upper East Side.

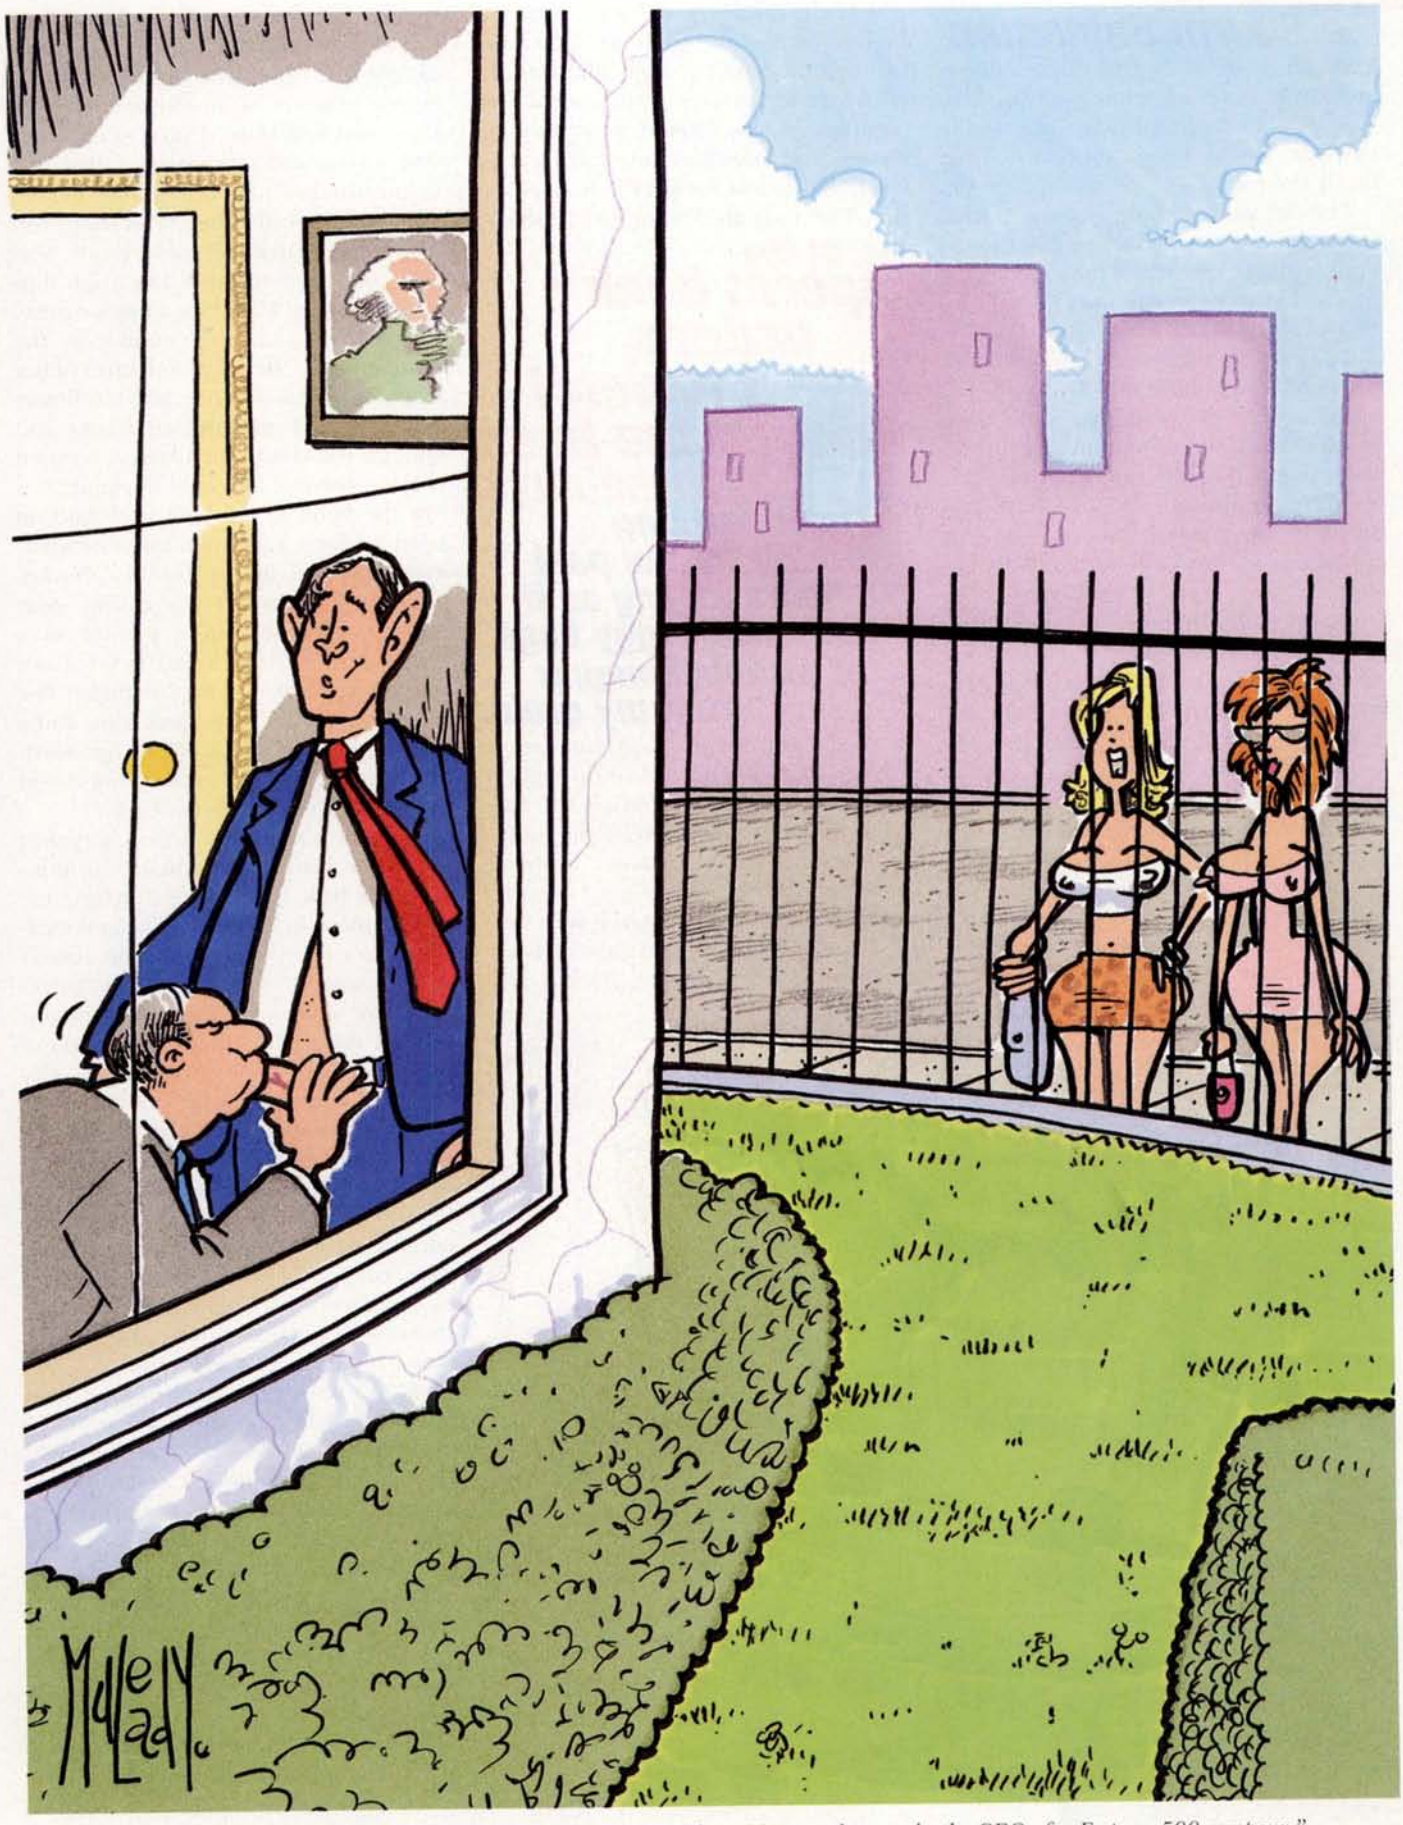
I'm a six-foot-tall, 25-year-old male, in good shape with no diseases. While this puts me right in the meat of the clinic's preferred donor profile, I still must pass an exhaustive battery of blood, semen and urine tests, a strep culture, a Tay-Sachs test, a blood-count reading, cystic-fibrosis tests, sickle-cell tests, hemoglobin counts and even a chromosome analysis. The questions they ask are detailed and cover every dark corner, going back as far as four generations of my family. Ever have pale stool? Low-grade fever? Night sweats? Nausea? Loss of appetite? Have you ever engaged in sex in exchange for money or drugs? Used intranasal cocaine? Have you been in prison or jail for 72 hours or more? Have you had sex with anyone in the past year who would answer yes to any of the above questions? How many alcoholic beverages do you drink per week? Have you had a tattoo, ear or body piercing, or acupuncture in the past 12 months?

I'm fucked on any number of levels; if I am going to get anywhere in this career, I'll have to lie. A man lucky enough to pass the barrage of tests must wait to begin the program while his donor specimen sits in quarantine for six months, only to go through the gauntlet of tests again, and then once more six months after he finishes his commitment.

After 35 minutes of filling out complex medical questionnaires and neatly darkening the answer boxes of a personality test designed to weed out the obvious psychopaths, I'm ushered by a perky British woman with a loose ponytail down a short hall sporadically decorated with pictures of cartoonish babies in smiling, bloated repose. The sperm collector sways as she walks. Her hips glide forward, and her shoulders seem to float magically in their wake.



"Surprise, Babs, honey! Your mom dropped by!"



"Used to be, a semi-decent-looking girl could blow the President. Now you have to be the CEO of a Fortune 500 company."

Diary of a Sperm Salesman

Everything about her is clean, almost antiseptic. At a plain, white door marked "CR-B," her graceful, lily-white palm extends like a wing, motioning me inside the room.

"Leave your sample on the white tray," she instructs, handing me a four-ounce, plastic specimen cup.

The last thing in the world I want to do right now is jack off.

I enter the "collection room" and pull the door shut behind me. At the sperm bank's orders, I haven't flogged the boss in three days, the minimum amount of time, they tell me, to amass a sufficient spunk sample. I've been walking around for the past 72 hours feeling as if I had two soggy bags of nickels hanging from my groin. I sit down in an uncomfortable, high-backed chair that faces a TV/VCR combo. The place smells freshly cleaned, very clinical. To my right, a thin roll of paper towels hangs above a tiny, aluminum sink. A bottle of orange antibacterial soap stands ready. In a metal basket to the left of the chair, a neatly arranged spread of X-rated videotapes and glossy stroke mags awaits. No windows, no vents, no mirrors—just a tiny, enclosed space arranged for the sole purpose of jerking off. The experience is depressingly similar to being in my apartment.

I unzip my jeans and emit a meaningful, considered sigh as I browse through the stroke fodder. The vids are all Adam & Eve-type instructional and "couples" tapes, littered with massage scenes and mindless lovemaking tips ostensibly meant for people who give a shit. The mags are *Playboy* and *Penthouse*, much too soft for a demanding jerker like myself. Not a HUSTLER in sight.

At the sperm bank's orders, I haven't flogged the boss in three days.

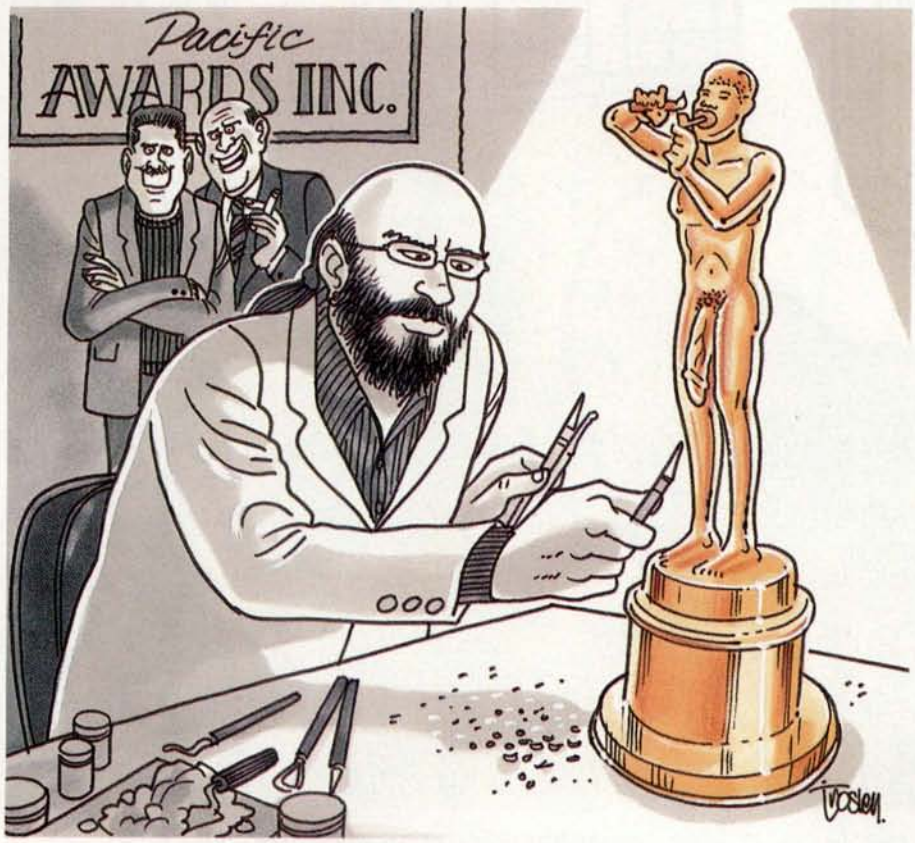
I've been walking around for the past 72 hours feeling as if I had two soggy bags of nickels hanging from my groin.

I pick up a *Penthouse*. What the fuck is the Gooch thinking? Who the hell is he building his circulation around? How many horny, middle-aged conspiracy theorists wear $400 track suits and are that curious about Pat Sajack's latest exploits? I crack open a *Playboy* and find an acceptable blond centerfold from a Big Ten school. A rabid, grueling jerkoff session ensues, my prick caught in a tug-of-war between the two angry demons of masturbation: Self-Love and Self-Hate. I take to my work with a vigor and seriousness unmatched in any of my previous moneymaking attempts. I growl at her, "You bitch! You filthy, cum-sucking undergrad! You want my dirty spunk!" The page flips over into the Playmate questionnaire. "Turn-ons: rainbows, confidence, the number four." Below are pictures of her as a teenager at a dance. She has braces the gauge of model-train tracks and enough freckles to fill a box. A scripted caption reads, "The ugly duckling!!!" I flip the book to the back and land on some ad for a watch or a horse or whatever they sell in the back of *Playboy*. There's a brunette in riding gear leading a horse and a picture of a wristwatch. Maybe the ad is for a car, or a fragrance. What the fuck? The equestrienne has nice, sleek hips, and a little nip bulge sticks out of her shirt. The photo is as good as anything else in the book. Still, no results. Fuck.

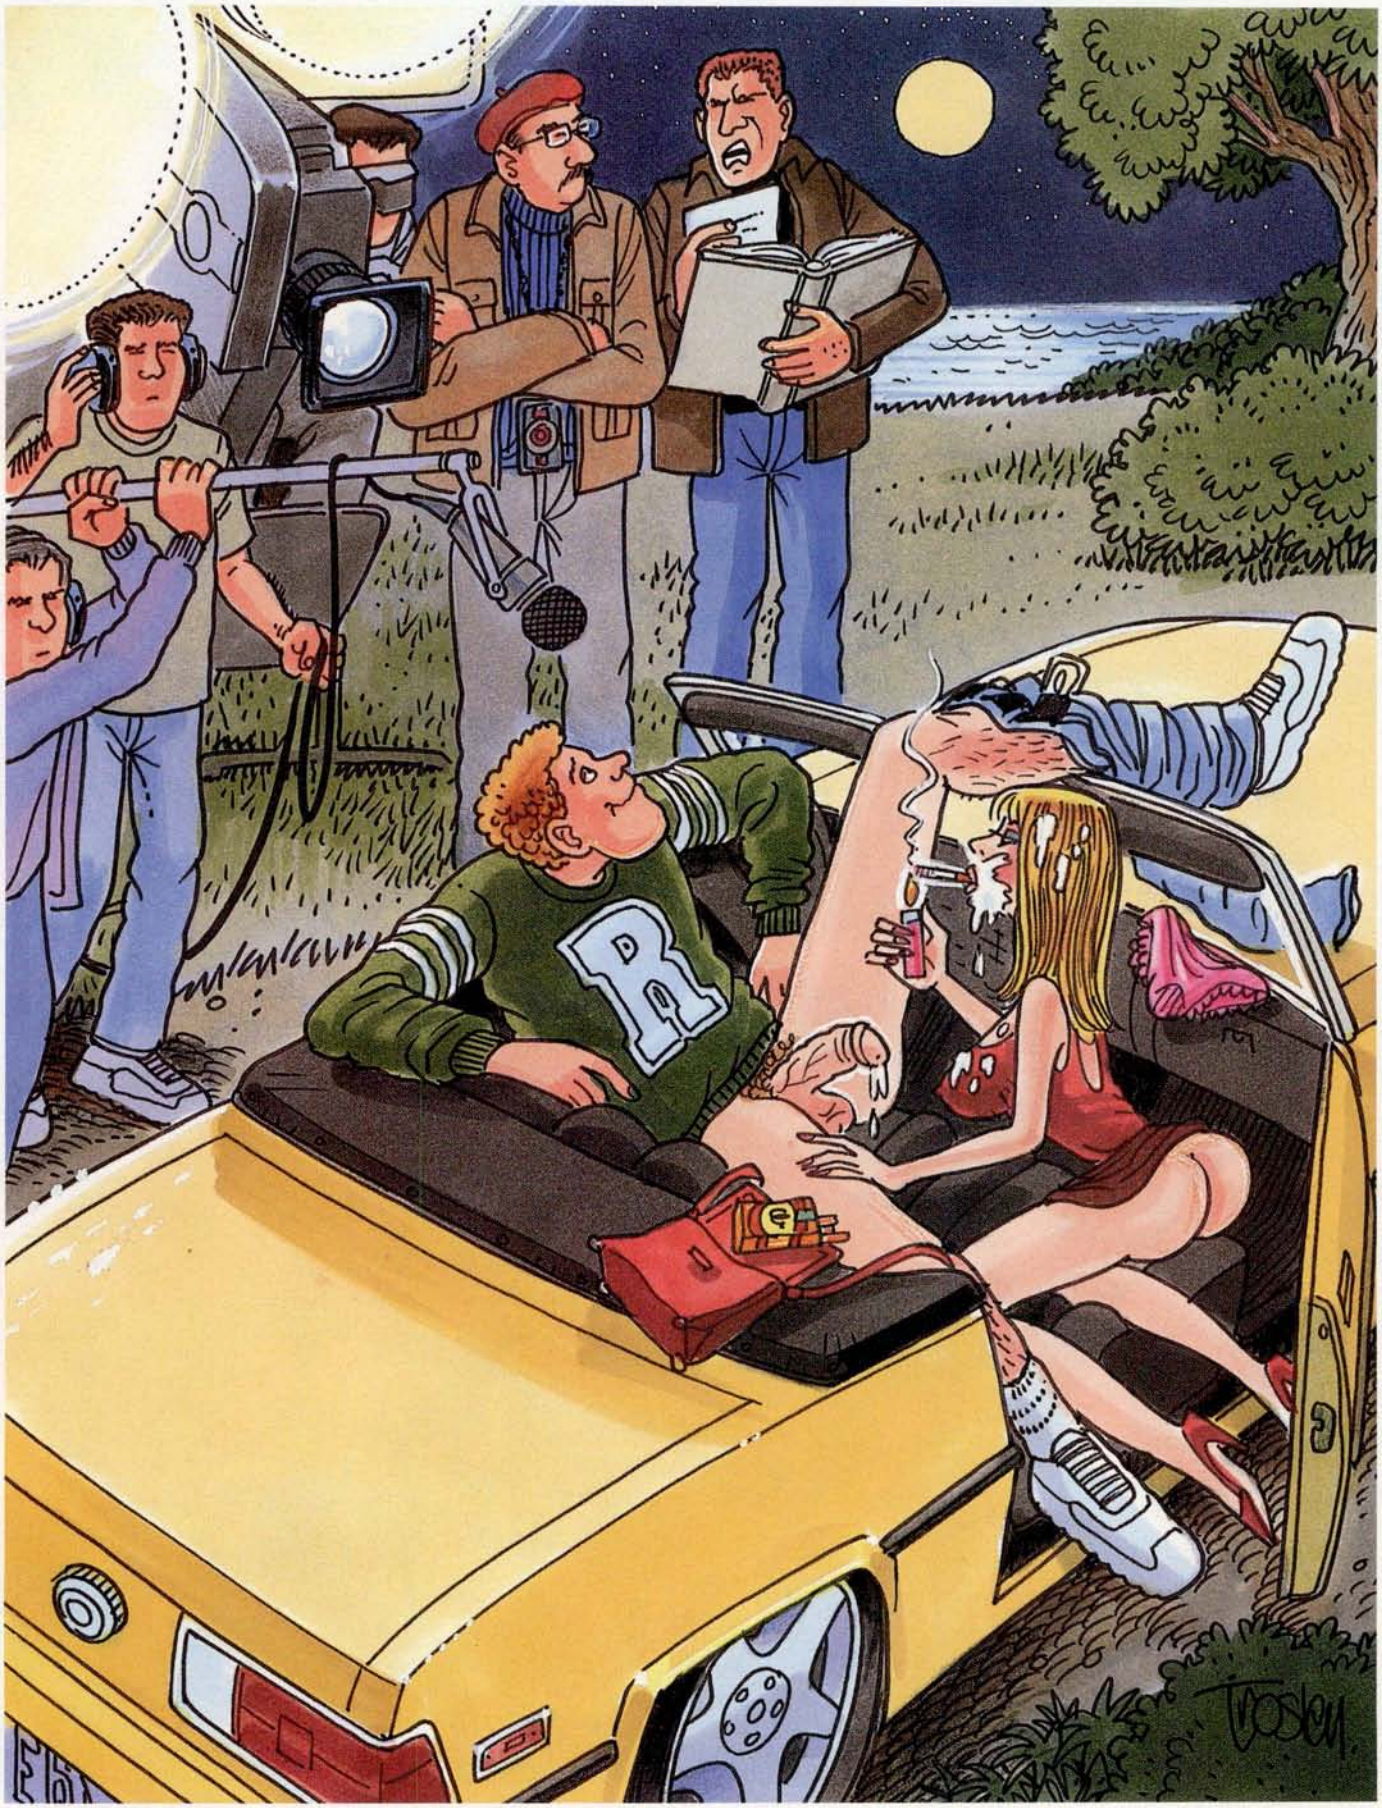
I think about the British Cryofert employee instead. In a matter of minutes, the little tart will be clutching my warm spunk in her dodgy fist and smiling. She's a dirty bitch, and she doesn't even know it. I imagine the nurse sneaking a sip from the specimen cup after I leave the place. Everywhere people work, they steal stuff; why should a sperm bank be any different? It's a law of nature. She is probably a closet cum-slurper. Maybe everyone here is. The entire operation could be a front for a secret society of splooge addicts who sit around after closing time, smoking Monte Christos and sipping chilled semen from crystal brandy snifters. I bet they have their own secret handshake, likely a fist.

As my testicles tighten for the final pull, I grab for the specimen cup. My nuts release a massive fountain of sputz. Cum container in hand, I lower the cup to groin height and squeeze the last tiny drop of pecker milk inside. I put my cock away and hold the jism receptacle to the light. I give it a prospector's twist. Not bad. There appears to be about $60 worth of white gold. As I zip up and walk out of the room, I feel like a silent-film clown.

Two-and-a-half weeks after making my initial sperm-bank deposit, a form letter arrives from Cryofert: "Thank you for taking the time to donate...." *Fuck. More rejection.* (continued on page 123)



"With Negroes winning Academy Awards, we've been asked to redesign it...."



"No, no, no—the censors will never allow it! This is a date movie for teenagers. You cannot show cigarette smoking!"

HUSTLER Humor

A physician picked up his phone in the middle of the night to the frantic cries of one of his patients: "Doctor, you gotta help me! My two-year-old just swallowed a condom!" the distraught father cried.

The concerned MD grabbed his bag and headed for the door. As he turned the knob, his telephone rang again, and the previously agitated parent said, "Never mind; we found another one."

A tourist from Greece was going on his first trip overseas. While applying for his visa, the man was visibly puzzled by the questionnaire, and an official noticed him trying to write "Twice a week" in the tiny box labeled: SEX.

"No, no. That's not what we mean," the official explained. "We're asking, 'male' or 'female'?"

"Doesn't matter," wrote the tourist.

The HUSTLER Dictionary defines *TV news* as: controlled substance.

Bob, John and Jake were at their retirement home watching television. During a commercial, Bob said, "I have a problem; I have trouble urinating these days."

"That's nothing," John scoffed. "I've been backed up for years and can barely squeeze out a tiny turd."

Laughing, Jake said, "You guys have it easy. Every day at six in the morning I pee, and then at 6:30 I take a massive dump."

Puzzled, Bob and John looked at Jake and asked, "So what's wrong with that?"

"I wake up at seven," Jake sighed.

Question: What's the difference between an Arab terrorist and a Jewish wife?

Answer: You can negotiate with a terrorist.

Four Catholic ladies were having coffee together, discussing how wonderful their kids were. The first one boasted, "My son is a priest. Wherever he goes, everyone calls him 'Father.'"

"Well," the next lady chirped, "my son is a bishop. Whenever he arrives, people say 'Your Grace.'"

"So?" clucked the third mother. "My son is a cardinal. People always say 'Your Eminence' to greet him."

The fourth woman sipped her coffee and said, "Well, my son's only 12, but whenever he goes to church, all the priests, bishops and cardinals say, 'Oh, my *God*.'"

At a porn theater, a man noticed an attractive young woman sitting in the corner all alone. A closer look revealed that she was diddling herself furiously while the movie played. Excited, the man moved closer and offered his help, which the woman welcomed. He frantically fingered her, and the woman moaned appreciatively. Eventually, his arm grew so tired he had to stop and rest. He was surprised to see the babe go right back to work on her snatch with both hands.

"Wasn't I any good?" he asked.

"You were great, honey," the lady answered, "but these crabs are still itching like hell."

Question: What do Kodak and condoms have in common?

Answer: They both capture the moment.

Newlywed hillbillies arrived at a hotel and asked the front desk for a suite.

"Would you like the bridal?" the clerk asked.

"Naw," the groom replied. "I'll just hold onto her ears until she gets the hang of it."

Right after completing basic training, a young man was home on leave visiting his parents.

"So, how's the Army treating you, son?" his proud father asked.

"Everything went well, except for the parachuting. When it was my turn to jump, I said I was scared and couldn't do it," the son recounted.

"*Uh-oh*," his dad gasped. "What did your sergeant have to say about that?"

"He told me that if I didn't jump, he'd fuck me in the ass," the son replied.

"Did you jump?" his dad demanded.

"A little, at first," his son admitted.

THE MEN BEHIND THE MUFF

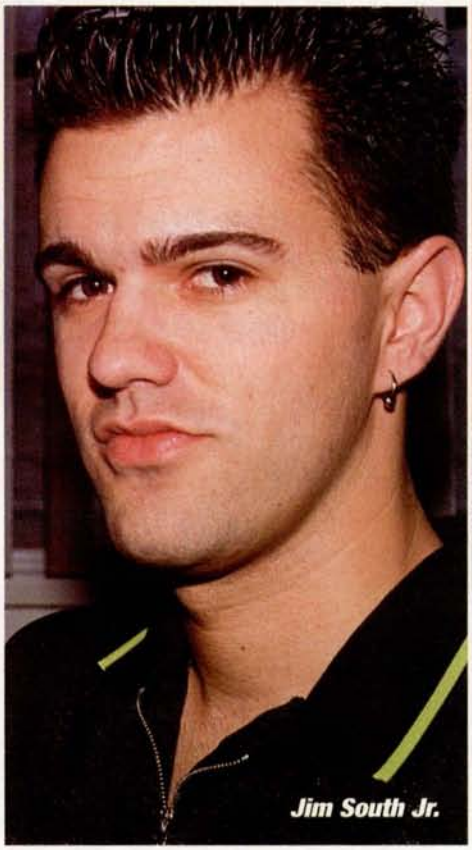
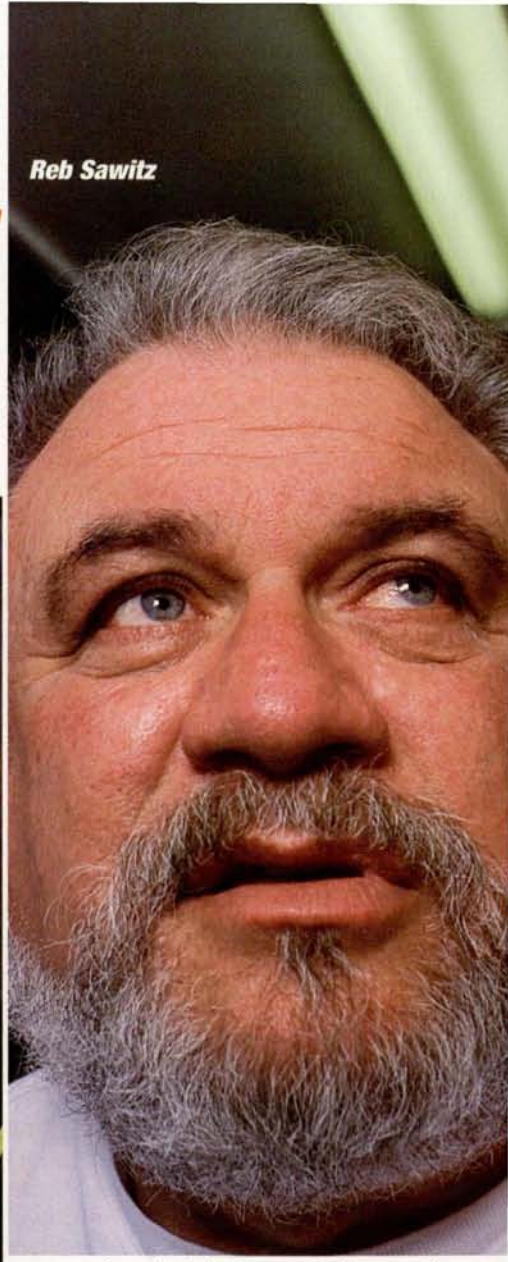
Like mainstream movie actresses, adult-film starlets employ agents and managers to jump-start their careers. Some hard-core handlers expect a lot more than a 10% cut from their clients. HUSTLER investigates the world of porn-model representation.

Roy Garcia

"She's 18, very young," says South, describing a new girl to a producer over the telephone. "I even burped her when she came in."



Jim South Jr.



Reb Sawitz

Eager beavers, hoping to be porn stars or at least make some quick cash, wander frantically from one seedy room to another in search of their next sex-work opportunity. World Modeling, the nation's largest XXX-talent agency, is hosting one of its industry-infamous talent calls, where porn producers, directors and photographers assemble to meet and greet up-and-coming, blue-screen starlets.

Located on the second floor of a two-story, no-frills, Sherman Oaks, California, office building, World Modeling is owned and operated by Jim South, a tall, Southern, fatherly fellow with a dark-brown mustache, black, slicked-back hair, Wrangler bluejeans, a striped Western shirt and cowboy boots. "She's 18, very young," says South, describing a new girl to a producer over the telephone. "I even burped her when she came in."

Torn pieces of paper with the names of video companies written on them in red Magic Marker are secured with Scotch tape to doors on both sides of World Modeling's hallway. Inside each room, five to ten porn hopefuls undress and pose for revealing Polaroids. The girls lean against nicotine-stained walls and cheap, plywood desks. One curvaceous, raven-haired tanning-bed victim displays her goods in front of the refrigerator in World Modeling's kitchen, which has been transformed for the day into Extreme Associates' casting office. A tall redhead pulls her J-Lo-style pants down around her ankles for a cameraman. "Now turn around," the shutterbug instructs, snapping a mug shot of her ass. Meanwhile, another panty-free chick wiggles back into her skintight stretch skirt.

Porn producers and directors hold court from behind makeshift desks, prompting the anxiety-riddled sex-objects to fill out questionnaires that ask which of their holes can be fucked on film and by whom. A young, fresh blonde with erect nipples popping through a sheer, cloud-printed tank top dangles her dainty paw in front of director Ray Anderson's face. "My name is Brittney Skye," she squeaks. "I just don't do anal, *hee hee*."

After completing a few forms, another aspiring XXX-actress, who originally claimed to "only do girl/girl," adds ass-to-mouth, double penetration and interracial copulation to her repertoire.

Former woodsman Steve Austin, Jim South's talent coordinator, patrols the scene with a hawk-eye trained on naive chicks who defy his instructions and give their phone numbers directly to producers who are trying to bypass World Modeling's fees. "Did that guy downstairs ask for your number?" Austin demands of a slut-in-training. Some videographers are so bold as to clandestinely tape single-girl videos right on the premises. "I just shot a masturbation scene out on the balcony," enthuses Max Hardcore fave Catalina.

As long as there is a demand to see recorded sex acts, porn-talent agents and managers—whether they represent hundreds of clients or only a few girls—will exist to supply XXX-filmmakers with the female tools of their trade.

Two weeks before the talent call, South sits at his desk by a window ›

Agents Pornographeurs

overlooking Van Nuys Boulevard in the heart of the San Fernando Valley. The phones ring every few minutes. South, his son, Jim South Jr., and Austin field the calls. "There's absolutely no fee or obligation whatsoever on your part," says South over the phone to a girl who has answered one of the agency's numerous talent-seeking ads. "You can make an appointment, come in for an interview and make a decision. Now you do understand most of it is nude?" South gives the perhaps-future porn queen directions to his office and hangs up the phone.

"We don't get into the movies over the phone, because that would scare a lot of people," says South. "Plus, it's not something they have to do to be with us."

A former insurance salesman, South moved from Texas to California in 1968. "I ended up running a chain of modeling schools after a couple of years, but it wasn't nudity. Then I went to a little place called Fashion Models. [The owner] wanted me to handle nudity on the side. Either I was going to do it, or they would get a manager who would. I ran that for about three years and came here and started World Modeling."

South estimates that his company currently represents 800 performers. "We've had everything from judges' daughters to policemen's wives. We started everybody: Ginger Lynn, Ashlyn Gere, Jill Kelly." South also represented Traci Lords who, unbeknown to him, was 15 years old at the time, a fact that caused both the state of California and the federal government to indict him. "The only reason that it was dropped was that the federal government that saw the very same ID I saw gave Traci a passport to go to Europe to make an X-rated movie."

A starlet walks up to South to inform him that she is changing her porn name to Noire. "French for *black*," she explains. South tries to talk her out of her latest pseudonym, arguing that there are already too many girls in the business with the name Black. "We've never had a Frieda Fuddpucker," he suggests, but Noire is adamant about her new *nom de porn*. "Every time they change their name," says South, "we have to change about six different files."

A tall, slender girl with long, wavy, pulled-back brown hair is waiting to speak with South. She is dressed in sneakers, an oversized Budweiser freebie T-shirt and olive-colored stretch pants with an extremely visible panty line. The girl becomes frantic and irritated, jumping into a seat in front of South's desk and begging for work. "I have to get a job today, or I'm going to lose all of my things in storage. I'll do anything."

South tries to calm the agitated strumpet down. He explains that she is no longer in World Modeling's files because her phone was disconnected. "We shredded your photos; so we need to take a couple Polaroids of you in the nude," says South in a soothing voice. The high-strung waif starts babbling total nonsense. South responds, "I'm sorry, sweetheart, but I don't understand what you are trying to say. Are you okay?" She bursts into tears and explains that she was just released from a mental institution. South tells her he'll try to find her work.

"The only job I can think of that's worse than my job would be being an [exotic] dancer's agent," says South. "I tried that once—somebody's in Milwaukee at 2 o'clock in the morning, and no one's picking them up at the airport, and they have nowhere to go; that's a nightmare. If I was much younger, I think I would do very well as an attorney."

"You can make an appointment, come in for an interview and make a decision. Now you do understand most of it is nude?"

On the other side of the Hollywood Hills is Reb Sawitz's Pretty Girl International, the world's longest-running porn agency. "I've worked 35 years in this god-awful business," says Reb, a grandfather of eight and an ex-biker who has toned down his tough-guy image. Longtime friend and client Alexandra Silk describes the stocky, gray-bearded agent as "a big teddy bear."

Sawitz's office, located on the second floor of a building owned by a recently busted West Hollywood cannabis club, is decorated with softball awards, a still of Sawitz from a '60s film and photographs of his Chihuahua, Reba, who he cradles like an infant, cuddles, talks baby-talk to and lets run around on his desk.

"I've been in the business almost 15 years longer than Jim South," boasts Sawitz, "and our attitudes are totally different. I don't have the girls hanging out here; my girls have a life." Sawitz is correct; there are no women in his headquarters, which consists of many rooms, including a photo studio equipped with a bed, lights and a gargantuan dildo.

"I'm a real agent," says Sawitz. "I make telephone calls. I am the only one, basically, who does that. You come in here, and you want this girl, this girl and this girl; I'm not going to hand you phone numbers. I'm going to see if they're even interested before I talk to you about them. I don't get anything from [my models]; I charge the companies. By law, I could charge [the models]. I don't want the resentment; I'd rather

"Who would Britney Spears choose ***to be her agent?"***

be known as a nice guy than a pimp."

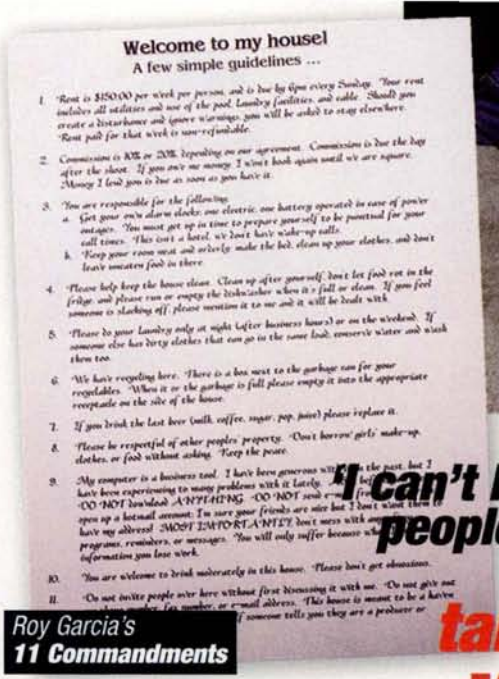
Sawitz first became involved in the porn industry in the mid-'60s. "I was running an apartment building, and some of the girls in there were models, and they weren't getting paid. At the time, I was riding with a motorcycle club, which I will not say the name of. I collected for the girls so they could pay their rent, which made the owner of the building happy. Their agent asked me to go to work for him." After his new employer stiffed him, Sawitz bought a license and started his own agency.

Sawitz takes pride in booking talent for mainstream films. "We did a Goldie Hawn and Warren Beatty movie called *Town and Country*, and we've done Johnny Depp [films] and music videos."

"My first assignment was to go out on a casting call for a Cinemax movie, and I got the part," remembers Silk. "I think Reb's quite different from Jim South, because he does have more mainstream clients. If a movie needs a naked hippie chick, they'll call Reb." (South occasionally books mainstream films as well, including *Boogie Nights*.)

Sawitz says he hasn't watched more than a half-dozen porn videos during his 35 years in the industry; his true passion is sports, especially softball. He coaches a team and holds home-run exhibitions at Dodger Stadium.

As licensed agents who must obtain a business permit and pay the state a fee, South and Sawitz are not too fond of porn managers. "Pimps. That's all they are, because they aren't legal," says Sawitz. "They take 20% from the girls, and they take from the companies too."



Welcome to my house!
A few simple guidelines ...

1. Rent is $150.00 per week per person, and is due by 6pm every Sunday. Your rent includes all utilities and use of the pool. Laundry facilities, and cable. Should you create a disturbance and ignore warnings, you will be asked to stay elsewhere. Rent paid for that week is non-refundable.
2. Commission is 10% or 20% depending on our agreement. Commission is due the day after the shoot. If you owe me money, I won't book again until we are square. Money I lend you is due as soon as you have it.
3. You are responsible for the following:
   a. Get your own alarm clocks: one electric, one battery operated in case of power outages. You must get up in time to prepare yourself to be punctual for your call times. This isn't a hotel, we don't have wake-up calls.
   b. Keep your room neat and orderly, make the bed, clean up your clothes, and don't leave sweaters food in there.

Roy Garcia's **11 Commandments**

"People say, 'I can't believe Roy charges people to stay at his house.' Fine, we'll take them over to your house."

One of the most notorious adult-entertainment managers is Sex Symbols Talent Management's Roy Garcia. Garcia's residence resembles a porn sorority house. Two girls take a shower together, another surfs the Internet while yapping into her cell phone, and yet another gal is doing Garcia's laundry. Starlets used to pay Garcia $150 a week to stay at his Granada Hills home. "People say, 'I can't believe Roy charges people to stay at his house.' Fine, we'll take them over to your house," says the 37-year-old manager. "They're going to mess up your kitchen, leave dirty underwear all over the place, use up all of your toilet paper, throw parties in your house when you're not around and invite their boyfriends over who are going to bug you for work."

Unlike agents, who wait for girls to come to them from ads and referrals, Garcia actively seeks new meat for the business. "I find the talent before the talent knows that it's talent," says Garcia. "The best way to do that—before their head is full of garbage—is to go out and look for them, to discover them."

While strip clubs are Roy's favorite places to scout models, if he thinks a gal has the qualities necessary to make money, he'll approach her wherever she happens to be: porn conventions, hotel elevators, casinos, swingers parties or

ACCOUNTANT TO THE **PORN STARS**

HUSTLER talks XXX and taxes with David S. Beider, CPA, who counts Houston, Brianna Banks, Kylie Ireland and many other adult-film actresses among his clients.

HUSTLER: *How did you begin specializing in the adult-entertainment industry?*

BEIDER: *I was dating a woman with a great body who wanted to make extra money doing nude modeling. We found a photographer who took some test pictures, and he had a huge tax problem that I helped him with. I got him out of trouble, and he recommended me to a porn star he was dating, who was also in IRS hell. I saved her a lot of money, and she kept referring all of her friends to me.*

HUSTLER: *How is accounting for porn professionals different than for other fields?*

BEIDER: *Most people in the adult business don't even realize that they need to file a tax return, and most tax professionals don't understand the business and aren't aware of what the IRS allows porn professionals to deduct. I know the adult business and am not shocked when a porn star tries to deduct her dildos.*

HUSTLER: *Besides dildos, what other expenses can porn actresses deduct?*

BEIDER: *Anything they need to conduct their business, including HIV testing, certain types of plastic surgery, makeup, hair and nails used for shoots, costumes, props and condoms. There was a court case a number of years ago involving a porn star who tried to deduct her breast implants, and the IRS lost the case.*

HUSTLER: *If a porn star turns tricks on the side, should she report that income?*

BEIDER: *Yes. The IRS says you should report all of your income, whether it's received legally or illegally.*

HUSTLER: *What type of expenses could a hooker deduct?*

BEIDER: *A second apartment, which a prostitute uses exclusively to see her clients, might be deductible. All her advertising and Web-site expenses could probably be allowed.*

HUSTLER: *Can porn stars and prostitutes deduct the cost of abortions that result from on-the-job pregnancies, as well as treatments for STDs obtained while working?*

BEIDER: *It depends on the facts and circumstances of the case. The tax law is very often not black and white, but shades of gray.*

HUSTLER: *Do clients ever try to pay for your services with sex?*

BEIDER: *On more than one occasion, I have had offers to "barter" for my services. I decided a long time ago that I needed to pay my rent; so I have been pretty successful in resisting the temptation. It's not always easy, considering these are some of the most beautiful women in the world. I have also had girls expose their breasts in the office, usually when we discuss deducting their new boob job.*

HUSTLER: *Have you ever been approached to count the actual number of men involved in a gangbang or tally the votes for the AVN awards?*

BEIDER: *No, but I'd be available.*

on the beach. "I can pick up on a girl anywhere," says Garcia. "It just depends on the odds. If I walk up to some girl in the street, I'll probably have to ask 40 or 50 people before I would get one who would do this, whereas I can go into a strip club with 15 girls working there, and I could maybe find three of them that would work.

"I found this girl going into Office Depot," recalls Garcia. "The first thing I asked her is, 'How old are you?' She said, '18.' 'Have you thought of modeling?' 'Yeah, but I never knew how to get into that.'" Roy brought her back to his house and took pictures of her, but he hasn't heard from her since. He says that the would-be starlet was an exception. "Usually if they come in and take a couple Polaroids, they shoot something, because it's the fastest, easiest, legal money in the world. There's no experience necessary at all. In fact, the less experience you have, the better. This is the only business in the world where you start out at the top and you go down from there."

Garcia became a talent manager after first being talent himself. Although he has gained weight since his days as a male model, Garcia was once a lean, muscular Chippendales dancer. "That was a few cheeseburgers ago," he jokes.

"I hustled so much that, as a male performer, I was making $8,000 to $12,000 a month, because I was also scouting girls. I got so good at scouting girls to work with that I couldn't work with them all; so I just started looking for girls to work with everybody. I'm the only guy who came into this business to make money; I didn't get into the business for sex, but I didn't want to leave the business because it was a lot of fun sex."

While South and Sawitz say they don't sleep with the talent, Garcia has no qualms about the practice. "Whoever wants to sleep with me, I'll probably sleep with them," admits Garcia. "Some girl asked, 'How come you fuck your models?' Why wouldn't I?"

Although Garcia says he doesn't force his models to screw him for jobs, he will hire girls to have sex with him on camera for his Web site. Porn starlet Violet Blue, who Garcia recruited in a Utah strip club, says Garcia paid her $300 to fuck him for some "point-of-view" pictures. Blue left Garcia's compound on amiable terms. "If you treat him like a 12-year-old, then it's a lot easier to deal with him," says Blue of her former manager, who still finds her occasional work.

Other starlets haven't had such

"Look, Mom; I'm a model!"

"No one told me I'd have to take an exam."

healthy relationships with Garcia. "Roy Garcia is a pig; he's a fucking pig," says Swan, who was represented by Garcia for four months. "He's a dirt-ball. If you don't fuck him, he won't get you work, and if you're a girl/girl kind of chick like I am, he will try to force you into doing boys. He's a control freak. We stopped working together because he was acting like my psychotic boyfriend. He was trying to tell me what I could or could not do. For example, no one could drive me to my shoots except for him or me. He took 10% of whatever I got but, if he drove me around, he charged me 20%."

Garcia, who denies Swan's allegations, says that he was the victim in his and Swan's relationship, citing her as the reason he no longer dates his clients (although he will still fuck them). He also asserts that Swan, and many of his ex-models, owe him money.

"I ripped him off. I'll be honest about it," admits Swan. "If Roy would have treated me with respect, I would have paid him the money, but I don't feel that I owe him, because he put me through so much grief. I had to go to the doctor because they thought I had an ulcer.

"He called me on the phone, called me everything under the sun: bitch, ho, cunt, slut, whore, and then he told me that he better get his fucking money or he was going to send pictures to my mom and go to my old high school with my pictures and put them up on the bulletin board. I called him up and said I was going to chop him up into little fucking pieces and send them back to *his* mom."

Sharon Wild also left Garcia's management with a bad taste in her mouth. "Roy is a scumbag," says the blond porn actress. "He was threatening me with immigration, just because I left him after three weeks," says Wild, who is from the Czech Republic. "He was showing up on sets where I was working, threatening the producers that he would call the IRS if they don't pay him his fee, even though I was not with him anymore."

"Usually girls that bounce from one [agent] to another really aren't worth keeping," says agent Mike Sullivan, who claims he worked as a Merrill Lynch stockbroker before creating Top Models two years ago. "If they don't work out with somebody, it's usually because of the girls. That's my philosophy."

Senter doesn't deny his controversial auditioning technique.

"If a girl has a problem with a few minutes of sex, how is she really going to get into the business?"

Sharon Wild went to Jim South and worked every day for two months. Now, Wild acts as her own agent, spending an hour each day on the phone and the computer looking for jobs. "I get much more work than with any agent," she says.

Wild is still signed up with some agents, but only those who don't charge her a percentage of her income, including Beautiful Models International CEO Regan Senter. Even so, Senter has an even worse reputation in the porn industry than Garcia, mainly because he requires his clients to fuck him on video before he will find them work. These "promotional" or "demo" tapes are then shown to prospective producers.

Although Wild claims she didn't fall for Senter's *quid-pro-blow* methods, there are pictures of Wild fucking and sucking Senter on his private Web site. Still, Wild has little bad to say about the man.

Senter doesn't deny his controversial auditioning technique. "If a girl has a problem with a few minutes of sex, how is she really going to get into the business?" asks Senter. "If I think a girl has the quality to do stand-alone magazine work, and she doesn't want to have any sex with anybody, I will sign her up, but understand, she's not working as an adult actress." In the year 2000, Senter estimates that he successfully "auditioned" 300 actresses.

"That's one way to see if the girl's going to make you money or not," says Violet Blue of Senter's tactics. "Honestly, I don't think there's anything wrong with it; that's how the porn industry is. Everybody does shit like that."

Even given her past difficulties and current freelance status, Sharon Wild believes that agents do serve a purpose, especially for new girls. "The girl can call the agent and say, 'They're trying to make me do extra [sex acts]; I'm not sure this is what I should do.' He can tell her, 'Yes, you should do this,' or 'No, this is not okay. Let me talk to them.'"

Garcia sees himself as doing even more for his clients. "I like the fact that I can change someone who has nothing, and I can make them a ton of money, and all of a sudden their life is different. I've changed their life."

"Make it hurt!" Diana cried. I jammed a finger in her butt alongside my schlong. The slut cackled with glee as I strained her winker.

(continued from page 40) told, jamming her hips down onto my thick dong and biting into the creamy expanse of Diana's bosom hard enough to leave an impression.

The dark-haired pain freak squealed with delight. Her pussy clenched the base of my prick as I pumped her honeypot and mashed her enhanced knockers into her chin. I slapped my meat harder into Diana's wet poontang, but before I could come she raised her sopping crotch off mine.

Now wearing nothing but boots and a tiara, the super-slut mugged self-consciously and shuffled across the break room to her discarded costume. She wiggled her ass flirtatiously before bending to retrieve the yellow rope.

Mincing her way back to me, Diana dropped the golden coil around my vertical shaft and presented her rump once more—this time, crossing her wrists above the shapely shit-globes.

What the fuck, I thought, and bound her hands behind her. Once her wrists were together, I pushed Diana facedown onto the small table and looped the spare rope around her boots. Resting on her implants and her pussy like that, I knew she'd develop a cramp soon. While the trussed model moaned encouragingly, I hastily spread her knees apart, then her butt cheeks.

It took several gobs of spit to moisten Miracle Girl's asshole. Even then, the kinky girl yammered as my pud eased in. The discomfort really seemed to stimulate her. Likewise, the sight of her straining back muscles, the brightly colored rope pressing into the flesh of her wrists, and the twin spheres of her sweet booty flapping when I smacked them stirred my nuts. Soon her cunt was sliding around on the table in a pool of vaginal juice and saliva as I pounded her taut anus.

I grabbed the hog-tied girl's boots and rocked her back and forth. Diana's whole body was tensed like a violin's bowstring, and she hollered in gratitude as I repeatedly struck her open butt patties.

Diana's implants thudded on the slippery table as her midsection seesawed in time to my thrusts. Her pale rump jiggled, making the imprints of my hand vibrate in small circles.

"Make it hurt!" Diana cried, her long, black hair splayed front-to-back. I didn't want to cause permanent damage to this comely nut job, even if she was asking for it; so I pushed down gently at the point where her wrists met her ankles and jammed a finger in her butt alongside my schlong.

The bound slut cackled with glee as I strained her winker. Her twat blurted an extra dollop of liquid as she came.

While Diana hooted through her jolting climax, I withdrew and, spinning her on the tabletop as if she were a lazy susan, batted my browned cock against her face, trying to make her blow me.

"No!" the selfish ass-banger cried. "Seriously, don't."

I wasn't sure if she really meant it, but no means no. I wiped my raging hard-on off on her cheeks, and, holding her head still, fired a gooey mess of spuzz onto her mug. I frosted her chin, eyes, forehead, cheeks and nose, but took extra care not to pop any of my sizable load directly onto her lips.

I left her tied up and dripping there. God knows what became of Diana; I only know she was gone by the next shift I worked. It was probably unkind to ditch the silly bitch, but somehow I can't think of myself as a villain. —B. T.

Maid Cervix

I split more or less amicably with my ex-wife, Karen. She kept our dog, but I look after Doxy when my ex goes on vacation. Which is how I met Rosa, Karen's cleaning woman.

I'd taken the pooch, a beautiful Rhodesian Ridgeback bitch, for an hour of running in the park. I was sweaty and winded; so it didn't click that the door to my ex's condo had been left open until I'd fed the dog and drank some water. As I cooled down, I became aware of the unmistakable creak of busy bedsprings in the next room.

A quick peek around the corner revealed a twentyish Mexican woman diddling herself on Karen's sheets. I recognized the pink vibrator she plunged into her unbuttoned jeans as the one I'd bought at the HUSTLER store as a Valentine's Day gift for Karen two years ago.

The enraptured Latina lifted her blue T-shirt and freed one swarthy teat from her bra, squeezing it as she moved the buzzing pink tool in circles under the waistband of her panties. I couldn't help but notice that she'd kept her sneakers on; the (continued on page 112)

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to $150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- GUARANTEED by over 1 Million Men every year!

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Xandria, 165 Valley Dr., Brisbane, CA 94005-1340. Void where prohibited by law.

I stood and blew prick juice onto Rosa's grinning face, chewy knockers and pussy lips, which she had spread wide with her fingers.

(continued from page 104) pile of fresh linens on the floor helped me guess who she was and what was going on. I didn't fault her; if the sheets were going into the wash anyway, why worry about messing them up?

When the overexcited cleaning girl pulled her panties down to admit the length of Karen's fuck toy into her cunt, I decided to make my presence known. It seemed stupid at that point to slip back into the kitchen and make a lot of noise, especially since the sight of a cute thing hiding a vibe was filling out my dick so nicely.

"*Oh,* hello," I said pleasantly.

Rosa hit the roof when she noticed me. The surprised domestic clenched herself into a ball instantly. I believe I saw the vibrator shoot out of her pussy and hit the bedpost, but she may have yanked it out with her hand.

"W-who are you?" she screamed. "Get out of here!"

I calmed her as best I could, introducing myself but not letting on how long I'd been standing there. Rosa regained her composure and shook my hand when I offered it. I could sense that she was backtracking mentally, wondering what I'd seen.

I picked up the jettisoned toy and licked it off, then matter-of-factly placed it next to the bulge in my pants, which compared favorably.

"You know," I said, "you could do better."

The pretty Mexican's face broke into a wide grin. "You think?"

Maybe Rosa was high on the delicious twat smell that permeated the air; I know I was. She pulled down my sweats and welcomed as much of my stiffy into her throat as she could. I playfully knocked my groin into her hungry yap a few times until she gagged.

The cleaning woman pulled her head back and, lipping my nut sac, pulled me onto the sheets with her. I tugged her legs apart and discovered that Rosa was as ready as a woman can be; her glistening inner labia were pinker than the vibe. I gave the dripping tissue of her flaps an appreciative swipe of my tongue before slipping my good-sized meat dagger into her slickened honey hole.

"Nice," Rosa sighed. "I like to feel a man on top of me."

I pulled her shirt back up. As I porked her between the thighs, the lusty beauty unclasped her brassiere and arched back to proffer her rack. I lapped at two brown areolas the size of drink coasters as Rosa kicked her sneaks and pants off and wrapped her toned brown legs around me. I hammered at her slot like a hyperactive kid trying to crack open a piñata.

It didn't take long for me to fire a healthy load of glop into her moist crotch pocket. She stuck her tongue down my throat and, with more vaginal dexterity than my ex ever demonstrated, choked a dozen or so extra spurts from my rod while bringing herself off from her pussy contractions.

"Kegel exercises," Rosa gasped.

The sheets were soaked. I helped Rosa remove them before the evidence seeped into the mattress. I knew how Karen felt about people having sex under her roof. Then, still mostly undressed, I popped the maid doggy-style against the washing machine.

As I took her from behind, grabbing her dugs while we connected, I marveled that this sexy, young girl seemed to be permanently aroused; she'd backed her slice onto my donger as if I'd been finger-fucking her for 20 minutes. Which I did, but not until later.

The encounter went on for the rest of the afternoon. My newfound lay and I made it in every part of the condo. (When I said my ex and I had remained cordial, I didn't mean that the thought of fucking some other chick in every corner of her place wouldn't appeal to me.)

Rosa and I finished our boff session in the shower. I plundered her ass with Karen's pink vibe while I pushed my three-times rejuvenated cock into her watery taco. Before I came, I had the dazzling Mexican lie on the floor of the tub to receive my spermy cascade.

With the shower running, I stood and blew prick juice onto her grinning face, chewy knockers and pussy lips, which she had spread wide with her fingers. My seed fell with the spray of water and dissipated so quickly, it was like firing tracer bullets from a fighter plane.

Sadly, after our several hours of vigorous fucking, Rosa still had quite a bit of housework left to do, and even more cleaning than she'd anticipated: By the time we were through, the dog had crapped all over the carpet.

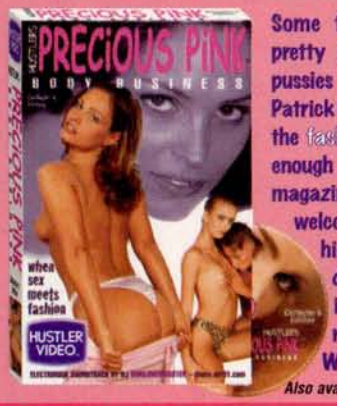
HUSTLER'S PRECIOUS PINK™ HUSTLER VIDEO
BODY BUSINESS
WHEN SEX MEETS FASHION!



Some think that certain girls are too pretty for porn. HUSTLER proves those pussies wrong with Precious Pink. Director Patrick Handsome goes behind the scenes of the fashion world, where babes gorgeous enough to be on the cover of a fashion magazine slurp pricks then bend over and welcome the slobbery joints into their high-class shitters. Precious Pink delivers depraved stunners as skilled in the bedroom as they are on the runway. Covergirls who eat cum. Who could ask for anything more?

Diary of a Sperm Salesman

(continued from page 76) "Remember," the letter reads, "competition is fierce. Only 5% of donors are accepted into the program."

Pissed, I call Cryofert to see what the hell went wrong. "Thawed ejaculate," the nurse says several times. "Not enough of your ejaculate survived the thaw."

"Thaw?" I scream. "What thaw? I have to pay my fucking rent!"

The clinician tries to console me. "Your sperm did pass the egg-penetration test very well. You should have no trouble conceiving a child of your own when you're ready."

"I hate kids. What egg-penetration test? Whose egg? Yours?"

"We use a hamster ova to test motility and assay conception potential."

"A what?"

"An egg from a female hamster."

"Hamster? Oh, shit! That's deranged!"

"It's standard procedure."

"I'm going to be the father of a hamster? Jesus! Where's my hamster baby? I want my fucking hamster baby."

"The egg is destroyed immediately after the test, sir. There is nothing to worry about."

My semen didn't survive the harsh cold of the freeze-and-defrost test. In order to keep the 'nad tads fresh, the samples are mixed with a cryo-protective fluid and dunked into a giant tank of liquid nitrogen at minus 135° centigrade. Once frozen, spunk chunks can remain potent for a decade or more. My poor little squiggles didn't survive two days.

I'm just about to give up my dream of being a pro wanker when I hear a Melissa Etheridge song on the radio, the one about coming in a window. I recall hearing that the earthy dyke-rocker was artificially inseminated by perennial death-pool favorite David Crosby of Crosby, Stills and Nash. Crosby, on his second liver, looks like an obese version of melon-bashing comedian Gallagher. Decades of drug abuse have taken their toll on the half-living legend. Certainly, my jizz looks impressive next to his frazzled seed. Why go for Crosby's mutated, chemically dependent pud scum? Sure, musical talent might be genetic, but so is addiction.

I do some research that seems to offer insight into Etheridge's strange selection. I learn that lesbian couples have a tougher time at sperm banks than their hetero counterparts. Many semen merchants won't cater to their alternative lifestyle, and lesbos must use a willing male friend, or make one.

I find an Internet news group catering to such hopefuls. Basing their choice neither on looks nor career, nor nights spent in jail, the LPGA circuit doesn't seem to be all that picky. Anyone desperate enough to play zygote roulette with horny mooks on the Internet must really want a kid.

"We use a hamster ova to test motility and assay conception potential."

"Oh, shit! That's deranged! I'm going to be the father of a hamster?"

Unlike the tightly regulated sperm-bank industry, which does its damnedest to keep people like me from contaminating its capital, wealthy lesbians may be the answer to my financial needs. I imagine a simple money transaction. I can send these dykes the prick pus of some bum in the park and call it my own. I could scrape the scum from a peep-show booth wall and sell it as a "special rainbow blend." The thought of a mullet-haired carpet-muncher working a turkey baster full of urinal-fresh splooge up her life partner's vage is intriguing.

Just three days after posting my ad, I am balls-deep in correspondence with Lisa and Lynn, a lesbian couple from Queens, New York. They want me to send a picture. I tell them to send me one of them. "Let's meet for dinner in a safe, public space," Lisa suggests, "just to make sure you're not some kind of kook."

Sunday night, I'm sitting in a booth of a diner, waiting for my muff-munching meal tickets to arrive. The eating establishment is a chic palace of red light and music, the flash point of a moneyed scene. Everywhere I look, there's a goateed dude with a shaved head and black-rimmed glasses. The waitress, a tight-bodied Polish girl with a handkerchief over her head, gives me wood, but right now there's business to attend to. I sit and wait, watching another bald-headed bastard walk through the door, this one with a bouncy, little short-haired blonde as a date. They approach my table, eyeing and nodding to everyone in the room. I watch the blonde swing her hips. I trace the lines with my eyes, checking her pants for camel-toe. They stop right in front of my booth. (continued on page 157)

Victoria, 37, of Jeannette, Pennsylvania, loves reading and shopping for antiques. When the exotic dancer isn't posing for nasty pictures at her local adult-video shop, she dreams of "dominating my husband and another man—having them please me in every naughty way."
—Photo by Friend

Mandy is a cashier from Brazil, Indiana. Clubbing, working out and posing for nude pictures thrill the 28-year-old, but not as much as the idea of "someone secretly watching me have sex."
—Photo by Husband

You'll find Draven hanging out in Alexandria, Indiana's swing clubs and strip bars. The 27-year-old dancer creams at the thought of joining "an orgy at a concert" or throwing "a swingers party at a nudist colony."
—Photo by Boyfriend

Sia is a dancer from Lodi, California. The limber 22-year-old hoofer frequents clubs, and enjoys reading about sexual fantasies and fetishes. Sia moistens at the thought of being "double-fucked while having a thick, hard cock forced down my throat."
—Photo by Friend

N. P. is a housewife from Midland, Texas. The 29-year-old bush babe enjoys sports, dancing and oral sex (both giving and receiving). The Lone Star Beaver's fantasies include "sex in front of other couples" and driving "cross-country totally nude."
—Photo by Husband

We can all learn a thing or two from Ms. Ann, a 36-year-old teacher from West Palm Beach, Florida. The oversexed educator enjoys tanning and shopping, and yearns "to have sex with my husband on the beach or under a waterfall."
—Photo by Husband

Whoa, Nellie! Angel, a 36-year-old horse handler from Jackson, Mississippi, pulls back the reins on her wild mound. The slender ranch-hand enjoys horseback riding, camping and threeway fuck-a-thons, but ultimately wants to "have two men all the time" so that they can "live together and fuck together." —Photo by Husband

Michelle, a 34-year-old housewife and student from Henderson, North Carolina, enjoys aerobics, weightlifting, swimming and watching funny movies. For noncinematic laughs, the health-conscious Beaver would love to try "a threesome with my husband and another woman." —Photo by Husband

Victoria Sweet is a 30-year-old adult entertainer from Fostoria, Ohio. The leggy blonde enjoys dancing, working out and swimming, but longs for "sex with two hot-looking guys."

—Photo by Friend

Monique, 27, of Detroit, Michigan, is a secretary who likes writing novels and giving head. The Motor City mama craves "threesomes with two men." If Monique's art imitates her life, her paperbacks are sure to be best-sellers.

—Photo by Friend

Laid-back Heidi is a student of medicine from Denmark. The 22-year-old enjoys spending time with her husband and riding horses in competition. Heidi's dream fuck involves "my husband and another brown-skinned man tying me up and licking me all over."

—Photo by Husband

Make your own guesses about Lani's occupation. All we know is that she's 28 and hails from Reading, Pennsylvania. The black-haired beauty has confessed to interests in dancing, sewing, reading and swimming, and that she longs to "take part in an all-female threesome."

—Photo by Friend

Lisa, 28, is a massage therapist from Silver Spring, Maryland, whose only interests are "sex, sex, sex and more sex." The single-minded masseuse dreams of having "six or more men shoot their cum all over my body."
—Photo by Friend

Katie of Lodi, California, is into in-line skating, swimming and softball. The 19-year-old dancer's dream fuck involves "my boyfriend riding a horse and having sex with me." So that's why cowboys walk funny.
—Photo by Friend

Tiana, 22, works in the field of communications. The Cleveland, Ohio, cutie loves shopping and crafts, and has her carnal sights set on "exploring every avenue of sex." We hear the Hershey Highway is lovely this time of year.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!
Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensify orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only $60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

Order PRO+PLUS PILLS now.
Only $60 for one bottle or 1 months supply. $120 for 3 bottles or 3 months supply. **FREE!** Order 3 bottles or more and choose 1 FREE bottle of Pro+Plus Pills or choose 1 FREE bottle of Pearl+Plus Pills. You will get results within the first month and you will reach your optimum size in 3 to 4 months. Many of our customers continue taking Pro+Plus Pills to maintain good health and rock hard erections. Add $40 for extra bottles. Any future orders are $40 for each bottle. We never automatically ship more bottles to you and bill your credit card unless you re-order.

OUR 100% MONEY BACK GUARANTEE

If for any reason you are not completely satisfied return the bottle(s) within 2 months and receive a full 100% refund including shipping. Why do we make this incredible guarantee? Because every thing we say here is true and we know you will be satisfied with PRO+PLUS PILLS.

IMPORTANT: Because of the success of PRO+PLUS PILLS there are many imitations. If you do not see a **100% MONEY BACK GUARANTEE** then you **DO NOT** have a money back guarantee. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

Diary of a Sperm Salesman

(continued from page 123) "Nico?" he asks. The dude is a chick; "his" goatee is drawn on with mascara. These are my lesbos.

The baby-hungry bush-bangers take a seat. Lisa, of the shaved head, asks me questions from an index card while Lynn looks on. I give rehearsed answers I found on the message boards from other, more reasonable men: "I am not interested in anything other than assisting people in reaching their dreams of having a child" and "I think giving the gift of life is the greatest gift of all" seem to work. We order drinks and become relaxed. We talk about our interests. They even like the fact that I write for porn mags for a living. Lisa and I share an admiration for dark-haired Vivid chick Luna. "I'd bang her in that tight little ass," the chrome-domed fish-licker enthuses. We toast to that.

I leave to piss. When I come back, the two are all smiles. "We like you," says Lisa. "We want you to be the father of our first child."

Cool, I think, drunk enough to stare at Lynn's cleavage without compunction. Lisa smiles and says, "There's no time like the present." We agree on a fee of $200 per sample.

Back at my place, the toilet is flowing over the rim—an Arkansas waterfall. A lump of shit the size of a brick has clogged the john. The bowl is swarming with ass hairs. I close the lid, unzip and have a seat. The idea is for me to jerk off into a cup and hand off my DNA to Lisa, who'll inject it into Lynn with a turkey baster full of heated saline. I don't have any clean cups; so I use the "#1 Grandma" coffee mug that came with the apartment. I have good lighting, space and plenty of porn, but I can't come. I try for two minutes. I'm sweating. I can't finish the job. I walk out to the bed. Lisa is pulling Lynn's pants around her ankles, exposing a shaved pussy that's spread, pink and wet. She kisses her stomach, working her way down to her thighs. Lynn's hips seem unnaturally wide for her tight, thin stomach. She looks more fertile than a welfare mother. I watch as they engage in sapphic action. Lisa licks two fingers and jams them into her partner's cum trap.

I start to jerk off again. Slowly, I inch my way over to the bed until I'm part of the scene. I rub Lynn's leg. I know they see me, but they don't look. I continue stroking my shaft, moving closer and closer to Lynn's clam. Eventually our genitals touch. Lisa makes an audible hiss but does nothing to stop us. Lynn's snatch is so wet, my cock slides smoothly inside with the first thrust. I pump away, grabbing at her powerful hips and pawing under her blouse. As I grope at her milky-soft B-cups, Lisa's fists begin punching my ass, driving me into Lynn.

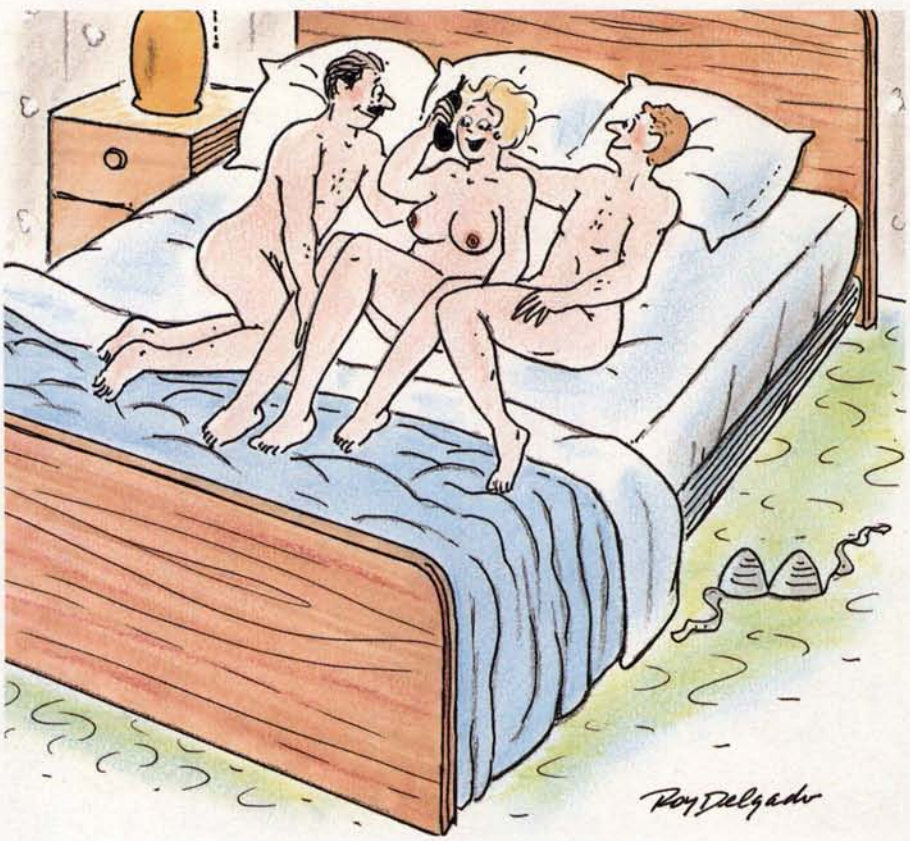
Lynn's snatch is so wet, my cock slides smoothly inside. Lisa's fists punch my ass, driving me into Lynn. "Make a baby!" she screams. "Fuck my little bitch!"

"Make a baby!" she screams. "Fuck my little bitch!" I keep pushing, sweat dripping off my forehead and into Lynn's eyes. I feel like I'm going to have a heart attack, but Lisa's screams keep me going. I want this over with. Finally, my load spews deep inside Lynn's twat. I pump my reproductive curd inside her and try to ease out, feeling altogether too weird and sober for speech. With a standing lean, Lisa pushes me back in. "Milk him," she commands Lynn, squeezing my ball sac for ripeness. We lay there in a sweaty mass of flesh for a few minutes. Making a baby is one of the most unnatural things I've ever done. The lesbians dress and leave, and Lisa throws a wad of $20 bills on my night stand. I feel like a whore, but at least I'm a $200 whore.

Nine months later, I receive a call from Lynn. She's just given birth to a baby girl. "Our baby girl," she calls the brat. Lynn informs me that Lisa left her soon after the impregnation session. Watching me fuck her girlfriend was too much for Lisa, and things were never the same between them. Lisa accused Lynn of being a "gender traitor" who seemed to enjoy the conception process a little too much.

"I've been talking to a lawyer, and he says I should ask you for child support," says Lynn. "After all, you are the biological father, and Lisa's not around anymore to help financially."

I was so wasted on booze that day that I forgot to have the lesbos sign the prefucktual agreement that I had written out. "Nico doesn't live here anymore," I tell her, as I pack up my belongings. That night, I move to a nearby city, obtain an unlisted phone number and consider looking for a real job.



"Actually, I'm between boyfriends right now."

"I like to pretend I'm other people," *Megan grins. The red-haired chat-room queen spreads her pussy in front of her computer screen.* ***"You want it, bad boys?"*** *the cyber-tease giggles.* ***"I'm not really so raw when I'm on campus or stuff. But when I'm alone, typing away, I just get so wet thinking about all the guys out there who want to fuck me, and how much I want to swallow their downloads."*** *Megan's fingers switch from keystrokes to clit-strokes. Her pale skin blushes at a new, energizing thought,* ***"I should invite one of my cyber-boyfriends over! Virtual sex is okay, but I have a drive that really burns!"***

Coming Next Month in HUSTLER

The Pumpin' Patch

Sultry temptresses are ripe for sin in HUSTLER's bone-rattling October issue. A Nubian princess uses black magic and golden piss to enslave a sweaty mook's rod. A choker-sporting redhead is ravished by ghostly hands and monster dildos in a haunting spread. In a remote corner of Hawaii, two tanned brunettes discover a garden of dykey delights. A wealthy wench doffs her furs to share her muff with the needy, and a lonely blonde on the beach dreams of trading her coral beads for a pearl necklace. October's HUSTLER casts a spell that cannot be broken.

Hit Man's How-to

Learn the do's and don'ts of mob rubouts from a man who's proud to have "sent 38 deserving men to their early graves." In a brutal HUSTLER book excerpt from *Joey the Hit Man: The Autobiography of a Mafia Killer*, a veteran of the crime underworld recounts how death became his livelihood. From his first execution at the tender age of 16, Joey learned that the paid assassin must live by a few simple rules. Joey also reveals one instance in which he was forced to break the killer's code. Find out next month why there's no escape for a marked man once Joey puts his process of elimination into action.

Scalpel Junkies

From semihuman porn abominations to suburban housewives, plastic surgery is the addiction of choice for the physically insecure with disposable incomes. As top-heavy strippers claim tax deductions on business-related breast inflations, surgeons are developing even costlier and more bizarre procedures. In a cutting exposé, HUSTLER Features Editor Dan Kapelovitz dissects the logic of enduring breast valves, lip injections and cheekbone implants in a quest for perfection, and details the horror stories that sometimes occur when the hopelessly vain go under the knife.

Bawdy Banshees

October's HUSTLER treats readers with tricks when *Bits & Pieces* presents George W. Bush with their carefully researched alternative to drilling in the Alaskan wildlife refuge. Sorceress of snizz Jeanna Fine mesmerizes degenerates with her obscene incantations in *Dear Slut*. Subpar sleaze is exorcised in a dozen reviews from *Erotic Entertainment*. The neighborhood is overrun with costume-less amateurs who spread pink door-to-door in *Beaver Hunt*. Catch the October issue and see why HUSTLER has kept the censors running scared for nearly 30 years.

October 2002 HUSTLER on sale July 23.
